*charges are not sustained by the Board of Directors or a Committee following a hearing. The Recording Secretary shall promptly send a copy of the charges to each member of the Board, which will be strictly confidential, or present them at a Board meeting in Executive session. The Board shall first consider whether the actions alleged in the charges, if proved, might constitute conduct prejudicial to the best interest of the Club or the Breed. If the Board entertains jurisdiction of the charges, it shall fix a date of a hearing by the Board or a Committee of not less than three (3) members of the Board, such hearing to be held not less than three (3) weeks and not more than six (6) weeks thereafter. The Recording Secretary shall promptly send one copy of the charges to the accused member by Registered Mail together with a notice of the hearing and an assurance that the defendant may personally appear in his/her own defense and bring witnesses if he/she so desires.*

Joyce Katona

It has been quiet in the region since our last meeting with the holidays occupying the members' time. I sent out an update to the region in December summarizing the important points from our Nov. meeting such as the changes to the standing rules and the Annual Versatility Award, the ROM discussions and the change in approving TSE's.

I have also forwarded the AKC Canine Health Foundation Genome Barks podcasts and various other AKC notice.

In my latest update, I congratulated the members who placed and /or won at the MBC Specialty in January. I reminded everyone to get their ballots for the 2015 and 2016 in the mail on time and to reserve their rooms for the National in May. I informed them of the upcoming shows in Minnesota in June.

Once again I asked for helpers to volunteer to work on the 2015 National, which is in our region. I told the members that the Board meets on the 21 February and to send me anything they would like brought before the Board.
