

## **Governors' Reports April 2015**

**Region 1 (Ron Williams): Nothing to Report**

**Region 2 (Kasey Parks): Nothing to Report**

**Region 3 (Prudence G. Hlatky):**

As I submitted a Governor's report in February, this report will be somewhat on the light side

### **Upcoming BCOA Region III events:**

BCOA TSE - Houston July 2015 - Judges Keke Khan regular classes and Michael DeWitt sweeps  
This weekend of four shows usually draws large entries of about 40 Borzoi per day. Come on down and enjoy the Houston warmth, but dress warm for our air conditioning.

September 7, 2015 - - Rocky Mountain Borzoi Club - Judges TBD

September 19, 2015 - Lone Star Borzoi Club - Judges Chris Neale regular classes and Sandra Moore sweeps.

### **2016 BCOA National, Lawrence Kansas April 2016**

Remember the 2016 BCOA National will be held in Lawrence, Kansas April 9, 2016 - April 16, 2016. It's the same site as the 2011 BCOA National. Kay Cassella and I are co-coordinators of the Facility and Event logistics. We still have committee openings to fill. Please don't be shy, as we would love to have you volunteer for as much or as little as you can. It is a wonderful way to become involved in the workings of the BCOA National and a great way to meet other Borzoi lovers. We welcome members from other regions to join our team. We will be presenting highlights of the 2016 National Saturday evening in Ohio.

### **Other Items**

The BCOA BOD is working on a couple of suggestions from Region 3 and hopefully some of them will be implanted soon. I look forward to reporting back on: changes to the BCOA Membership application to make it more Rescue and single dog owner friendly; requested changes to the ROM requirements to recognize higher level achievements; trophy supported performance events. If we can offer a TSE for conformation, why can't we offer the same for performance events?

Please don't hesitate to contact me if you have questions or concerns.

**Region 4 (Marcella Zobel): Nothing to Report**

**Region 5 (Robin Casey): Nothing to Report**

**Region 6 (Joyce Katona):** My committee chairs and I have been working hard attending to the many little details that make a National Specialty truly a Special event!

MBC should have a large entry at their Specialty immediately following the National.

I have communicated with the membership via the National Specialty Facebook page.
