REGION 6 –Kim Horn Janek

Since my last report dated 02/07/2022:

- Some things haven't changed! I continue to communicate almost daily with Barbara Danieli, the 2022 Assistant Chair and several members of the 2022 National Committee, discussing details and following up to ensure we have all of our bases covered. I will submit an update for the National Specialty Standing Committee Report.
- My region has been pretty quiet for the last few months. I sent a request to my region for submission of agenda items to be included at our Annual Membership meeting and had no response.
- I received a phone call from BCOA Life Member, Fred Vogel, advising me that Barbara Yoon, another BCOA Life member had passed. It was his hope that we would accept her Borzoi collectibles which could be auctioned off at our annual Silent Auction in conjunction with our National Specialty. The three large boxes were shipped to me and I documented the items (complete with photos) and sent the completed inventory list to BCOA President, Ron Williams. At our 2022 Winter Board meeting, I received approval from the Board to ship the three boxes to Mesquite, TX where Silent Auction Chair, Caryl Dumaine, will be able to select items for the auction. The unused items will be stored in the POD for use at future National Specialties.
- I sent several updates to my Region 6, the first welcoming our two new Region 6 BCOA members and the most recent one reminding them of the new Members Only password. Unfortunately, we had three Region 6 BCOA members that did not choose to renew. One family no longer has Borzoi and the other individual could not be reached even through numerous attempts.
- My next report will not be submitted until after our National Specialty. I wish everyone a safe trip and look forward to seeing old friends and making new acquaintances.
