Specialty Critique

by Donna Maharan

I would like to begin by saying “Thank You” to all the exhibitors, the Atlanta National 2002 Show Committee and my fabulous ring stewards Karen Mays, Chris Bradley and Bonnie Turner. You made my once-in-a-lifetime judging experience one that I will always hold close to my heart.

You can’t imagine the joy and fear that I felt when I was first contacted about judging the 2002 National Specialty and now here was my moment “in Borzoi”, I was nervous, scared and in 10 minutes I would be standing in the ring in front of the Borzoi world. Why was I nervous? Because I wanted to do the best job possible and The National Specialty, the most prestigious assignment in our breed, was ready to begin. Once I stepped into the ring I was oblivious to the world around me and I became intensely focused on my job at hand. Surprisingly I was no longer nervous and I was anxious to get started.

Over the past 12 months leading up to the show I had asked myself “is it more exciting to Win the National or Judge the National” and I can tell you now that judging the National Specialty was the most incredible, rewarding and exciting show experience I have had the opportunity to be part of. I had the unique opportunity to touch, examine and evaluate every single borzoi at the show..... what an excellent learning experience! A daunting task but nonetheless it gave me an impression of the “state” of our breed in a short period of time.

I was impressed with the depth of quality I had in every class. Over the years I have noticed that the overall level of quality of the bitches was typically better than the dogs but this year I think the dogs did an excellent job of holding their own and the overall level of quality is worth mentioning. That is not to say that the overall quality of the bitches was less but that the depth of quality dogs was quite high.

I had many quality borzoi with shoulder/upperarm layback, spring of rib, pretty heads, bladed bone, bend of stifle, low hocks, wonderful sidegait with reach and drive, correct toplines (and by that I mean within the range of acceptable toplines) but one thing that stood out to me was feet. I was surprised to see how many borzoi had incorrect round &/or cat feet. Is a hare foot becoming a thing of the past in our breed?

When you think about breed type what comes to your mind? To me breed type in borzoi means an elegant athletic hound and the attributes that contribute to that. The overall balance of body parts, how they fit together, effortless power when moving, with the requirements from the standard that distinguish a borzoi from other breeds, “hare-shaped feet; Ears-Small and fine in quality; Loins-Extremely muscular” and so on. We all have a picture in our heads of what the “perfect” borzoi should look like and I think most of us would agree that each of us might not always see the same picture. However it is important to remember that there are varying degrees of latitude within the standard which would allow two borzoi to be correct for example but would not necessarily make them look identical.

Judging is about balancing priorities and the only way to put your judging abilities to the test is to get yourself into the ring and do it. Having 2+ minutes to evaluate each dog in a class is much tougher than sitting at ringside, watching at your leisure, where you can examine the entries for a much longer period of time. In addition, “hands

on” can tell you more than you can see at ringside. I stay objective and try to be analytical when balancing priorities, the complete package, the combination of the overall virtues and how well they fit together along with movement is the deciding factor. Maybe that’s not the best method but that’s how I approach it.

I had attempted to record some of my thoughts on a digital recorder for each placement in each class, unfortunately when I went back to review the recordings I was unable to hear myself on the recorder due to the overwhelming background noise. So, rather than leaving blanks for those recordings of particular borzoi in which I couldn’t hear I had decided to list only the first placements in each class.

I was honored to have had the opportunity to evaluate so many beautiful borzoi and I am proud to say that my choices for our 2002 National Specialty were as follows:

Best of Breed, Ch. Warwind Journey Into Night, an elegant athletic-looking hound who I felt, on that day, came closest to the standard or I should say, in my mind he came closest to the picture I have of what a perfect borzoi should look like according to the standard. He had breed type and lots of it, overall balance, powerful effortless movement with a ground-covering stride, bladed bone, proper condition, small fine ears, deep chest, correct topline, shoulder/upperarm layback balanced to the rear with well bent stifles and low well-let-down hocks, correct feet, pretty head & expression and more.

Best of Winners, Staraja Russa Bianca Korsakov, was my Winners Bitch who was pretty, feminine and well constructed with flowing lines and had, once again, what I considered the essence of breed type and effortless movement.

Best of Opposite, Ch. J.A.Y. Seabury JP Affectionately, was a beautifully feminine bitch (who was also the winner of the Brood Bitch Class—and was an obvious winner there with get that looked like clones of herself). A bitch that exuded all aspects of breed type and then some. Beautiful outline, well balanced, beautiful head and expression, small correctly-set tightly-held ears, smooth transition from shoulders to a nice rise over the well-muscled loin down to a good bend of stifle with well-let-down hocks, nice light easy mover from the side with reach and drive and appeared to be covering ground efficiently & without effort.

Award of Merits, 10 in all, were all very high quality borzoi and to narrow it down from some of the best borzoi on the continent was a very difficult task which left many quality borzoi leaving the ring without a ribbon. All of the Award of Merits exhibited “flowing lines, proper condition, sound running gear and unmistakable elegance with effortless movement”.

I would like to make special mention of the 2 veteran dogs who received AOMs:

Veteran dog 10 and over, Ch. Khanzade’s Zardonyx, JC, (DOB-10/29/90): this black and tan handsome 11+ year old was in *outstanding* condition for his age and although his movement wasn’t quite as strong as a younger dog he still had plenty of reach and drive and his overall quality and structure were still very apparent. His presence in

my ring brought tears to my eyes.

Veteran dog under 10, Ch. P.O.S.H. Fairbanks Of The Wild Hunt, JC, (DOB-7/7/92): At almost 10 years old this tri-spotted dog looked like he could have been 6 years young, *excellent condition*, moved beautifully and well constructed.

The line-up for the Winners Dog Class:

6-9 puppy dog: Tatezi Shine On Crzy Diamond—this brindle and white masculine puppy dog had good muscle tone and was well balanced with proper angles front to rear. His movement and overall balance is what put him first in his class.

9-12 puppy dogs: Chihawk Tahoe First Wave—tri-spotted masculine puppy dog, correct feet, pretty head, good muscle tone, well-boned with a nicely filled-out body and a light and easy mover from the side.

12-18 puppy dogs: Po Dusham Fireside Dreams—red and white dog, very pretty expression, beautiful head, nice ear set, curvy with nicely balanced angles front and rear, reach and drive combined with a light easy ground-covering sidegait put this dog at the head of his class.

Novice Class: Mielikki Can't Stop Me Now—white and red sable spotted dog, pretty head, nice ear set, very light easy mover from the side.

Bred By dog: Khanzade Top Flt Black Nite N'GA—dominant black Irish-marked dog, long chiseled head, correct amount of bone for his size, balanced outline front to rear, from the side his reach and drive covered ground in smooth, effortless and efficient manner which is what gave him the edge above the second place dog.

American Bred dog: Del Sol Total Eclipse Of The Moon, JC—white & red brindle-spotted dog, pretty head, curvy, muscled and well-angulated and balanced from front to rear with nice substance of body and a light efficient mover from the side.

Open dog: Kristull Radium Of Ryhka, JC—red and white spotted dog, pretty head & expression with small correctly-set tightly held ears, very athletic-looking with balanced front and rear angles, smooth transition from shoulders to a nice rise over the well-muscled loin down to a good bend of stifle with well-let-down low hocks & correct hare feet, nice light easy mover from the side with reach and drive and appeared to be covering ground efficiently & without effort.

Lineup for the Winners Bitch Class:

6-9 Puppy bitch: Savladai Frost The Air Svershin—Sable and white spotted, nice front assembly, balanced with good bend of stifle and well-let-down hocks, pretty expression, nice earset, smooth transition of topline and moved very nicely and fluid from the side. Her overall angles and balance put her in first place.

9-12 puppy bitch: Bokhara's Tiger Lilly—Red and white spotted bitch,

pretty head and expression, forechest with good shoulder/upperarm layback balanced with good bend of stifle, correct feet and fluid movement with reach and drive that gave her the edge over the second place bitch.

12-18 Puppy Bitch: Staraja Russa Bianca Korsakov—White and cream spotted, very typey bitch, beautiful outline, well balanced, beautiful head and expression, small correctly-set tightly-held ears, smooth transition from shoulders to a nice rise over the well muscled loin down to a good bend of stifle with well let down hocks, nice light easy mover from the side with reach and drive and appeared to be covering ground efficiently & without effort.

Novice: Wind'N Satin Secretive Caller, CD, CGC—brindle Irish-spotted bitch, pretty head and expression, correct tightly held ears, nicely balanced front to rear with low hocks, nice topline.

Bred by Bitch: Phoenixx Glorius Celebration—beautiful red brindle bitch, very nice overall, petite athletic-looking bitch, pretty head and expression, small correct-

ly-set tightly-held ears, good shoulder/upperarm layback, smooth transition from shoulders to a nice rise over the well-muscled loin down to a good bend of stifle with well-let-down low hocks, correct feet, nice light easy mover from the side with reach and drive and appeared to be covering ground efficiently & without effort.

American Bred: Woodacre's Rozana of Kansai, CD, CGC—Brindle and white spotted, pretty head and expression, small correctly-set tightly-held ears, good shoulder/upperarm layback, smooth transition from shoulders

to a nice rise over the well-muscled loin down to a good bend of stifle with well-let-down low hocks, nice light movement from the side with reach and drive.

Open Bitch: Regius One Star In Sight—Red and White spotted, very petite pretty and feminine curvy bitch, pretty head, forechest with good shoulder/upperarm layback balanced with good bend of stifle and low hock, correct feet and light fluid movement with reach and drive that put her ahead of the second place bitch.

Veteran Bitch 7 Yrs and Under 10: Romanoc Color Full Swing New Moon, SC—Red and White spotted bitch, pretty head and expression, shoulder/upper arm layback balanced with good bend of stifle and low hock, smooth transition from shoulders to a nice rise over the well-muscled loin, correct feet and light fluid movement with reach and drive (when she wanted to move!).

I would like to thank you all once again for this tremendous opportunity. It was an honor and a privilege. My hope is that each exhibitor felt like their entry received the equal consideration and attention they deserved, ribbon or no ribbon. Special thanks to all that exhibited; you made my 2002 National experience a wonderful one!§

2002 NATIONAL SPECIALTY

Lure Coursing At the 2002 Borzoi National Specialty by Beth Coney DVM

A great big thank you to everyone who worked to make the Borzoi National Specialty ASFA Lure Field Trial this past weekend at Old Mill Farm in Cartersville, GA, a huge success. We had a pre-entry of 63 hounds and ended up running 54. We started roll calling at 7:45 for those that were there, ran the first course at 8:25 and were finished with prelims by 10:00 am, finals by noon-ish; ran five run-offs, gave a 20-minute rest to the FCH BOB entrant (who just had 2 runoffs to determine the overall winner of the FCH Stake) and ran Best of Breed at 12:50pm. Well done, everyone involved!

The exhibitors knew we had a lot of dogs to get through before the AKC JC tests in the afternoon and EVERYONE was right there for roll call and when their course was called to the line - this trial couldn't have run so smoothly without the help and cooperation of all of the exhibitors, every one of you - you guys made it a fun, fun day.

The course plan was every bit of 945 yards, large and long and open on the slightly rolling course, with several long straights and it ran extremely well. It did a good job of separating out Borzoi on speed, agility and endurance - a fair number of Borzoi found this distance a little longer than they were used to, while fitter dogs had no problem.

We used two smaller white plastic bags rather close together and a piece of rabbit fur, as lure. With the exception of one dog who felt "I chased it, I get to take it home" (Pearl, we know who you are) the fur presented no problems to the dogs.

We imported two terrific lure operators, (both greyhound people), Mike Lorenzo from New York (FCH and BOB) and Todd Birchfield from the Atlanta area (Open, Vets), to alternate Lure Operator and Huntmaster duties. Every dog got a very fair shot at being able to show its ability to its best. The few inevitable breakdowns on-course were handled immediately and expeditiously.

Our judges were experienced, long-time All-Breed ASFA judges Tom Cigolle and Steve Curry - who surprised us by arriving

wearing black tie and tails (starched shirts, red cummerbunds and all!) in keeping with the formality and honor of judging the largest ASFA trial ever at a Borzoi National! They did their usual expert job judging - combined with the course plan, it was apparent who the exceptional dogs were and these Borzoi were justly and fairly rewarded by the judges.

her usual wonderful, organized job of being Field Trial Secretary, assisted by Susan Weinkein and Katie Kaltenborn. Scores were posted nearly immediately at the conclusion of each Stake. Barb Ewing created a glorious Field Events Catalogue - color cover of a lady riding side-saddle with her Borzoi; back cover

a color line-drawing of 4 Borzoi taking a wolf, the houndsmen arriving to help - sprinkled throughout with drawings of Borzoi moving to the hunt with the riders, Borzoi coursing hare, fox and wolf. Definitely a keepsake. Thanks to Rey & Yvonne McGehee, Barb Ewing and Andy Knapp for providing the artwork for the catalogue.

Jan Swayze put together a gorgeous trophy table - flowering plants, blue velvet and a wire sculpture of the National theme "Believe in Magic" - including Borzoi!

Gary Runyan contributed 4 life-sized concrete Borzoi to stand guard! At

awards (being videotaped) we had each placing dog stand in front of the crowd to accept its honors, while the registered name, sire & dam, breeder and owner were noted.

Interesting how many Borzoi are get of, or are related to, past National winning and placing dogs. A lovely end to a lovely day.

How great and smooth-running was this trial? I was field trial chairperson and I didn't have to do diddley! (except be Paddock Nazi - and some of you just can't appreciate a good Paddock Nazi). The moral is: get experienced, excellent people and let them free to do their thing. Thanks again to one and all for just about the "easiest, best" field trial I've ever attended - and it was filled with exceptional Borzoi, too! What a wonderful day! And, the winners are:

BCOA National Sweeps Critique

By Chris Bradley

I'd like to thank the members of the Borzoi Club of America for voting to have me judge the Puppy and Veteran Sweepstakes. It was the highlight of my 31 years in Borzoi. I feel so fortunate to have been honored with this assignment. I thank you, from the bottom of my heart, for your votes, your entries and your many positive comments afterwards.

When I got the ever-memorable phone call, to say I'd won the assignment, I was thrilled at the prospect of judging. I had just had my fourth surgery for bowel cancer and had exhausted all the chemos available for my particular cancer. This assignment gave me the resolve that I needed to be healthy for Atlanta and to continue my fight.

Seeing old friends and making new ones was a great pleasure for me. After judging, when I was allowed to see a catalog, I realized that I had put my hands on the pups and vets of breeders I've long-admired and many dogs of up-and-coming breeders and exhibitors. That was, indeed, a great honor. Overall, I was tremendously pleased with what I felt and saw.

The Veterans shown to me were glorious. They were clean and well-groomed and beautifully presented. They were enthusiastic and elegant and most traveled around the ring as though it were yesterday that they competed. Of the +/- 30 Veterans, all but two were alert and had the look of enthusiasm for life. Two precious Vets had a vacant and "lost" look in their eyes; perhaps confused with the unfamiliar surroundings. I had mixed feelings about being allowed to pick one winner of each class. In three classes, there were two Vets who could have easily won First Place. I do understand and appreciate the rationale for selecting only First; but it was tough!

My Best in Veteran Sweepstakes was Ch. Ksar Po Dusham Aruba, with his obvious elegance and outline. Hands on, however, he was an even more impressive dog. He had a strong pro-sternum and front assembly. My BOS was Ch. J.A.Y. Seabury JP Affectionately, who looked fantastic, for having had pups recently. Neither Aruba nor Nara put a foot down wrong and both had a commanding presence.

My Puppy Sweepstakes classes were a dream come true. Our breed is in very good shape and those breeders should be very proud. Of the +/- 120 entries, only six were missing teeth; bites were generally good. Two were undershot. I had quite a variety of heads from which to choose; all within the standard, yet interesting to balance against the rest of the pup. Most eyes were nicely shaped and I was impressed with the quality of ears (thin leathers, small and nicely placed). I had several comments from exhibitors who seemed to appreciate that their pups' heads were examined last. It seemed to relax the pups and prevent what can sometimes be the "dreaded puppy mouth experience."

As we would expect, some pups were going through the "gawkies" and weren't moving as well as they will. Rear movement was generally good; fronts were a little "iffy," with many pups out at the elbow; or toeing in. Many pups had phenomenal side movement and will, most likely, only get better with age. I saw quite a variety in toplines, which "on the day" may be quite different from the eventual adult. There were several pups I would have proudly brought home!

I had several classes, with placements which could have gone 2-1-4-3, or other combinations and I was very pleased with the placements I

made. The exhibits made my decisions easy, due to the overall quality but difficult because there were so many fine Borzoi. Obviously, some exhibitors will feel I did a better job than others!

My Best in Puppy Sweepstakes is a pup I'll watch in the future. He is Warwind's Midnight in Moscow, from the 6-9 month class. He was well-balanced, moved like a dream, personality plus, beautiful headpiece, great topline... tiny bit short-coupled but we'll see how he matures.

My BOS Puppy was Staraja Russa Bianca Korsakov, from the 15-18 month class. What a wonderful bitch! She had attitude, smooth and long-striding side movement, superb front and rear movement, a faultless outline and a beautiful head. I predict a great future for her.

Again, many thanks to those who exhibited their dogs to me. I had a wonderful time. I would especially like to thank those Show Committee members who made me feel so welcome and comfortable. It was an experience I'll never forget. §
