Barbara Binder, Specialty Judge

JUDGE'S Critique

by Ms. Barbara Binder

Thank You: There is no greater honor for a judge than to be asked to preside over one's national specialty. Thank you to the membership of BCOA for allowing me that privilege. It was the highlight of my life in Borzoi and I enjoyed every moment of the experience.

General Observations:

I have had the chance to watch the tapes of the specialty, thanks to Lynda Gillaspey, and study my notes. In my opinion, the quality of dogs at this nationals was exceptional. While there is no such thing as perfection, I had wonderful choices in almost every class. The breed has improved in so many ways over the years. There were very few bad bites and missing teeth. In the dogs who were missing teeth, very few were missing more than one or two premolars, a big improvement from the days of 6 or 7 missing. Heads are a matter of taste within the standard and I can think of no case in this entry where the head was the tie-breaker. I love to see veining in the face and dark almond shaped eyes. These are cosmetic features, but important to breed type.

Shape is important to me and important to the purpose of the breed. All of the dogs who placed had what I consider to be correct shape. There is room in the standard for some variation, but level, sloping or wheel back toplines win not win in my ring, nor will straight fronts and straight or over-angulated rears. I like to feel a hand width between the front legs and strong sternum. I want the elbow at the deepest point of the chest. Much of the entry had good muscular loins and deep briskets.

The front should converge to the center on the trot and this was a tie-breaker on a few occasions. I didn't see a lot of crossing or weaving but I did see a few double tracking fronts. Rear movement was mostly acceptable with just a few barrel hocks and "mixer" rears. Only a few dogs carried their tails beyond my acceptance level and these dogs did not place high.

Side gait is always important in the ring and tells a lot about neck set and carriage, toplines, tail set and front assembly. My winners all had correct side gait with very little up and down motion. Our standard calls for an effortless gait which means that the front and back legs are in sync. A huge, "wide open" side gait is not always effortless. Problems:

Watch the ears. I saw quite a few larger than necessary ears that flopped in the wind. Teeth should be strong and WHITE. White = clean. As usual, fronts on many of the entries can use more return of upper arm. Over grooming was apparent in more than a few entries, under grooming not so much. Clever grooming can bring out the best in the dog without being obvious. Sculpting should be discouraged. Poofing up the hair on the front legs gives the appearance of round bone. A good judge will feel for the truth.

Class Critique:

The minute the first puppy class walked into the ring, I knew was in for a treat. This was a lovely class with not enough ribbons to hand out.

Best of Breed, Best of Winners, Best Of Opposite Sex

Specialty Judge's Critique continued

3rd Korsakov's Quantum Leap, correct outline, moved out on the go.

4th Wind 'N Satin Mo' Better Blues, Fluid movement for a youngster, feminine.

12-18 Puppy Bitches

1st Majenkir Bookstor Glamour Girl, Strong bitch, wonderful shape with good front and rear angulation, muscular loin and strong reach and drive

2nd Sexy Sadie of Paradise Valley, Efficient mover, good bone, feminine, pretty head.

3rd Nikolai Olovo Alyss, Pretty bitch with correct outline, sound front and rear.

4th Foxcroft Agrippanilla, Shapely and smooth gait, deep chest.

Novice Bitches

1st FC Niteshades Phenanthrene of Ryhka Feminine, pretty face and neck

Bred By Exhibitor Bitches

1st FC Gladkii Veter Matter Of Taste, Beautiful outline, well angulated front and rear, balanced and moved out with both ends, feminine without weediness. One part flowed into the next with this bitch. Pretty head into lovely deep neck, free flowing side gait, strong rear. Lovely bladed bone. Was on her game on the day and was awarded WB, BBBE and BOW.

2nd Majenkir Silver Filigree, Classic outline, strong loins, deep chest, well let-down hocks, good reach and drive. Beat the open bitch for RWB on femininity.

3rd Vitrina Sylvan One >From The Heart, Pretty and feminine, moved out effortlessly from the side, Striking color.

4th Rising Star Yasmine, Sturdy yet all girl, good on the down and back, strong side gait.

American Bred Bitches

1st Korsakov New York Diva Roscommon, Very pretty bitch, good shape and style, lovely gentle side gait. Strongly considered in winner class.

2nd FC C'Lestial High Voltage, Feminine, pretty head, out of coat, but deserving.

3rd Ashtoria Irishbrook Wldhnt Orleans, tall, elegant bitch, moved well when she settled.

4th Katushka Jubilee Elini, Lovely outline, sound mover.

Open Bitches

1st Majenkir My Vixen Aley, Deep chest, strong loins, strong gait from all sides. Lovely shape and striking appearance. In definite contention in the winners class.

2nd C'Lestial High Jinx, Feminine, pretty bitch

with lovely movement. In a very competitive class, was very much in the running

3rd Kishniga's Casta Diva, stylish bitch, correct on the move with a lovely outline

4th Fern Meyta Earthly Expression, Feminine bitch, smooth side gait and very pretty head.

Veterans: Note to Vets. I apologize for not giving the vets a last go-round in the specials class. I was thinking more of the comfort of the seniors and just spaced out! Please forgive me; they were spectacular and deserving considering the quality of the veterans classes.

Veterans Dogs

1st Ch. Mascha's Raw Vanilla, Just a few weeks away from 10 years, this dog still had what it takes to win. He's held his lovely outline, moved out soundly and with purpose. He let down a bit in the Specials class, but it was a long day!

There were several other older gentlemen who could have won on the day, but we can pick only one.

Veteran Bitches, 7-10 years

1st Ch. Sky Run Catera, This bitch never let down. At one month shy of 10 years, she was in her prime. She has remarkable foot timing rarely seen; the definition of "effortless". She has a pretty head that flows into a strong yet feminine neck, then into well set shoulders. She still has plenty of topline and a strong loin, correct bladed bone, deep chest, well set hocks and hare feet. A mature coat didn't hurt but probably hid some of her shape. She is a style that I like very much. I was delighted to give her this class and, later, Best of Breed.

Again, she was strongly challenged by several other beautiful bitches. Majenkir Raynbo Dazzle was a close "2nd"

Veteran Bitches Over 10 Years

1st Adair N' Hug Chanel, lovely tri bitch, a bit beyond her prime, but still striking. Showed like a youngster.

Stud Dog Class

1st Ch. Majenkir My Way. He was presented with 3 very lovely get, consistent in quality and style. His daughter was 1st in Open Bitches, another daughter was later awarded an AOM and his son was in the cut in specials.

Brood Bitch

1st Ch. Seabury Cameo At Greyhaven. This was a single entry class but the quality of her get was certainly deserving of the win.

Brace Class

1st Mascha's Michael Mia Maskova and Mascha's Taj Maha Maskova.

This class is judged on conformation and unity. This couple had the quality and the style we hope to see in a brace class.

2nd Wind 'N Satin Sugar Hill of Legend & Wind 'N Satin Venus

3rd Ashtoria Irishbrook Wldhnt Orleans and Ashtoria Irishbrook Wild Hunt Lemans.

2nd and 3rd were both high quality braces who just lacked the experience. With some work, they would be very competitive in brace classes as they were well matched.

Best Of Breed

This was a highly competitive class with lots of quality. On the day, any one of several dogs and bitches in the finals could have won. My veterans bitch, Sky Run Catera, just wouldn't quit showing and was rewarded with Best of Breed.

Best of Opposite Sex went to Ch. Osdow Av Fjascho. This is an elegant dog, tall and shapely, masculine, wonderful easy gait, strong head and neck into good shoulders and lovely layback of upper arm. Again, a style I love. Correctly bladed bone.

The Awards of Merit were not given in any particular order. Each and every one of the final dogs were deserving of high honors. Without exception the shape and style, movement and strength were there. In my opinion, they were wonderful representatives of our breed.

It was a true delight to judge this entry. Where were the pets in the ring? A few, but a lot of the judging was based on good, better, best. Thank you again for allowing me this great honor.

I must add a special thank you to Lynda Gillaspey and Loretta Binder-Wheeler for helping to make the week so special for me, and to Irina Terra for the fresh west coast coffee each morning. §

BCOA National Sweeps Critique

By Ms. Laura Hyatt

Judging sweepstakes at this year's national was an honor. I enjoyed all of the puppies and veterans entered. It's a rare opportunity for a breeder to actually have one's hands on so many borzoi from all over the country.

Just a couple of comments on the quality as a whole, feet seem to have improved considerably very important for a running dog. There also seems to be better balance front and rear. More improvements, most entries had good bites and nice large teeth and nice underjaws. I feel our breed is in good shape and good hands. Breeders, keep up the good work.

Puppy Dogs 6-9 months

This was a large class with high quality entries. Auroral's Singing in the Rain. Pretty fawn black masked male. Masculine yet pleasing head, nice strong neck, good outline with nice length of leg. Good drive off the rear.

9-12 months

Another high quality class. Greyhaven Sorcerer's Apprentis.. Pleasing to the eye, this boy was hard to fault. Starting with a beautiful head and strong neck.. Nice topline, good depth of chest, good front assembly. Lovely outline along with light ground covering movement. This outstanding young male was my Best in Sweeps winner.

12-15 months

Foxcroft Drusus. This male was another lovely to judge. Nicely balanced boy, solid with good bone, beautiful outline, good drive off the rear and light ground covering movement.

15-18 months

Wind 'N Satin Fledge V Coburn. This dark boy had a nice head, good outline in good condition, moved very well.

Puppy Bitches 6-9 months

Maskova Isadora of Majenkir.. Solid, well balanced with good length of leg, light ground covering movement.

9-12 months

Vento Danza Independence Day.. This white and gold girl moves with purpose, well put together, good drive in rear, light on her feet.

12-15 months

Carousel's I Love You Too.. Feminine bitch beautiful head, nice long neck, moved very well.

15-18

Del Sol Tinnabulation JC.. This self red bitch immediately caught my eye in the class lineup. She didn't disappoint me once I had my hands on her. Substance, solid yet feminine with a beautiful head and strong neck. Good outline. Light on her feet with ground covering movement. She was my Best of Opposite in Sweeps.

Veterans

It's tough to judge the veterans on one hand, then on another it's so impressive to see them strut their stuff as if to say to the youngsters "let me show you how it's done." The conditioning of our old ones was outstanding for the most part. Good job, owners of this year's entrants!

7-9 years

Ch. Rainmaker Forever More CD SC.. This male is in great condition, light on his feet. Nicely balanced dog.

8-9 years

Ch. Meadowcreek Reach the Skies SC.. Beautiful head, good pigment good neckset, good length of leg. Powerful drive off the rear.

9-10 years

Ch. Oaklara Meadowcreek Blackout JC. Still a stallion hound, beautiful head and powerful neck. Strong topline, nice depth of chest,

nicely balanced with ground covering side movement. Still in good condition. This guy was hard to fault, he was my Best Veteran in Sweeps.

7-8 years

Ch. KaryIn Stardust Melody RE. CGC. Good bone, nice side movement, pretty outline and moves well. Good condition.

8-9 years

Ch. Frostfire Axiom Ahonna.. This was a good size class with several high quality bitches. The class winners shorter plush coat accentuated her pretty body, pretty head, good topline and nicely balanced. Easy side movement.

9-10 years

Ch. Sky Run Catera CDX, AX, AXJ, AXP, CJP. Beautiful head on a nice neckset, good bend of stifle with nice ground covering movement.

10 and over

CH. Adair N'Hug Chanel DC, JC, CGC. This girl doesn't know she's over 10. Beautiful head, pretty outline, balanced front and rear. She still has beautiful sidegait. This was my Best of Opposite Veteran. §

BCOA National Futurity Critique

By Mrs. Kimberley A. Horn Janek

What an honor to be chosen by your peers to judge the newest generation of our very special breed. My thanks to the breeders who selected me and the host region which provided a lovely setting for our National Specialty. Also, special thanks to my steward, Karen Mays, who kept things flowing and Kathleen Kapaun for her continued efforts as the Futurity Event Chairperson.

I must admit, I am "old-school". I have been involved in the sport of dogs for thirty-eight years and still believe that the purpose of a dog show is to evaluate breeding stock. I feel there is far too much emphasis on the "show" and far too little placed on rewarding those dogs that exhibit the qualities that make a Borzoi a Borzoi.

Overall, the entries were well conditioned, with some being in excellent hard muscle tone. Most were well presented, clean and moderately groomed. I would like to see more shoulder layback and return of upper arm as a whole with well angulated hind quarters. A few entries had poor feet and I caution the breeders to keep an eye on bites and dentition. I saw too many "off" mouths, including missing teeth (more than two), popped teeth and one wry bite. I can accept popped teeth in a veteran but it gives me cause to worry when I see it in a young exhibit.

On the stand, I want each part to flow into the next, from the nose to the tail. On the move, I look for an effortless, ground-covering stride. I tend to be more forgiving on the down and back if the side movement is there. I want my dogs to be masculine

and my bitches to be feminine. Always, always, always, well laid back shoulders, elegance with strength and color immaterial. Someone once told me that if the shoulders are there, the rest will follow. I have found this to be true to this day.

My choices displayed the qualities I feel are most important in our breed. That being said, all comments are from my recorded notes that day and all opinions are, of course, strictly my own!
