Observations and Critique of the 2014 Borzoi Club of America National Specialty

By Jon Steele

Getting to Albuquerque, New Mexico is no easy task. The airlines changed my flight several times ending in a journey through Midland/Bay City, Detroit, Atlanta, Salt Lake City, Minneapolis, 6 airports in all and a 12-hour day each way. This was nothing compared to the distances people drove to show at the National and I admire the dedication from the exhibitors that travelled from all four corners of the United States and Canada. The success of this specialty is a direct result of the committee's efforts and promotion. Well run by the members and the accommodative hotel.

The overall quality of the entry was very good and the Borzoi of today are in the hands of some very dedicated and passionate breeders. In my 30 years in Borzoi the ebb and flow of good dogs seems to be back on the upswing. One observation is that at most shows the quality is often not anywhere near the caliber of our National. Where are these dogs the rest of the year?

In evaluating the entry I was pleased with silhouette, sidegait, breadth and depth of chest and shoulders. There were some stunning heads and excellent coats. Bone and feet were generally good. On the negative too many had poor tail carriage which can destroy an overall lovely specimen. Also there were more than a few that were way too narrow and lacked the capacity for good lung and heart. Even though the standard calls for full dentition it is a shame that missing teeth and bites have not seen any improvement. On average no matter where I judge the frequency and number of missing teeth is universal. However, size of teeth are getting smaller and we need good strong large teeth set in a well-developed under jaw (a "U" not "V" shape). One of the faults in profile was Borzoi that had necks set at too upright an angle with poor placement into the shoulders and croups that were too steep. We all need to be cognizant of that smooth continuous curve from nose to tail. Soundness on the down and back has not improved over the years but we can hope. One personal criticism was that too many dogs changed shape on the move. Standing they may have looked fine but moving their shape was entirely something else. I want to see a Borzoi as beautiful on the move as they are on the stack.

The first class I judged was the altered class and I also believe the first time it was offered. You can tell these exhibitors love their dogs and it was a nice opportunity for them to show their dogs at a national.

The class of 6 to 9 puppy dogs was won by Elance Summerlane Tigerwing, one of four from the same sire to place in this class. A consistent quality class with 1st and 4th littermates and 2nd and 3rd littermates.

Konza Plum Creek Bugatti at Elance won the 9-12 class on profile and head. 2nd had a lovely dark eye, 3rd was balanced and 4th showed potential.

The 12 to 18 class can be a difficult age for males but my four placements came from strong competition. The class winner, Aashtoria's Top Secret, showed well with a very good head and lovely profile, while 2nd won on substance and outline and 3rd was well balanced. 4th had a good front but the tail was an issue.

Novice dog was won by a dog with good substance and proper proportion, Russkaja Volnitsa Molodez II. This dog was interesting and one to watch in the future. 2nd place was a moderate dog with good balance, 3rd had good proportion and 4th had good sidegait.

The bred by male class is always my favorite and I look forward to watching this class at the specialties. You expect breeders to showcase their best and many times from this class come the next great dogs. My eventual winner had one of the best front assemblies on the day. He had lots of correct breed elements and this breeder has paid attention to all of the finer details. Kyrov's Time Traveller won this class in very tough competition but he also was on the verge of being almost too extreme. Any more angulation and it would have been too much. The second placement was well balanced with good spring of rib and black pigmentation. 3rd had a dark eye and lovely profile both moving and standing. 4th was a competitive dog out of coat but I see a great future when this dog matures.

American Bred dog Del Sol Joker's Gamble was a good-moving dog with a smooth profile. 2nd place won with his soft expression and proper eye. 3rd and 4th both had good type.

From the open class came my eventual winners and reserve. Riju Enjoy the Ride was a lovely tri dog with a long lean head and correct topline. He was an efficient and balanced mover with an easy gait, my eventual winners dog. Raynbo's Triple Crown at Maskova went Reserve; pushing hard the first in this class he was substantial and had good shoulders but his zealous character didn't always help him on the move. 3rd also showed a lovely outline and good substance and 4th was a balanced dog with very good bend of stifle.

The 6 to 9 bitch class was small but my first place and eventual best puppy was Aria's Ive Got Rhythm, a very well-balanced pretty bitch that showed well beyond her age. She was also competitive in the winners class. 2nd and third were littermates with nice profiles and substance. Fourth had good bend of stifle and a pleasing head.

The winner of the 9 to 12, Svoras Secret Heiress, was a substantial bitch with a good head and very sound. Unfortunately on the move, at speed, she carried her tail too high and the owner moved her too slow to go any farther in winners. Second in the class was a big bitch with good sidegait. 3rd and fourth had a very dark eye and good neck sets, preferring one over the other on sidegait.

The 12 to 18 class winner Avalon WW Darks kaya Dare had an even gait on the side with nice plains to the head. Second in the class had a classic head and good ears but she was not settled on the day and a bit tenuous of her surroundings. 3rd had a good chest with appropriate depth and nice sidegait and fourth had a solid loin and a proper neck assembly.

Novice bitch class was a surprise in quality with my winners Del Sol Dark Canyon Avalon having good reach and drive and nice spring of rib. It was a close second in this class with 2nd having one of the better tails. 3rd in the class had a nice forechest and balanced movement. 4th place won on the lovely type and sidegait.

In the bred by class my winner was Maskova's Mascha Morning After the Wild Hunt. She is a bitch with a pleasing silhouette. Also very sound with good depth of chest, substantial but still feminine; my eventual Reserve Winner and Best Bred By. 2nd in this class had a lovely profile, head and neck, with a very good front. 3rd was well built with good depth of chest and breadth. 4th was pleasing on the move and light on her feet.

American Bred winner was Katz Ladyslipper at Plum Creek, a very nice bitch with good pro-ster-num and depth of chest. 2nd and 3rd both were balanced with the 2nd well built, not too much and well-muscled. 3rd also had good shoulders. 4th had a good head and nice profile.

Open was a competitive class with 3 of the placements being closely related. First and eventual winners bitch Majenkir Firefly had a very good topline and moved well on the side with well bent stifles. She was very feminine and when she was collected and settled she moved exceptionally well with a beautiful silhouette moving and standing. This bitch just kept getting better. 2nd was similar to first with nice veining and gave first a real run for her money. 3rd was substantial with good depth of chest and 4th having good shoulders, a little flat on the topline but very good spring of rib.

SPECIALTY CRITIQUE CONTINUED FROM PAGE 37

7 to 10 Veteran Dog was won by GCH Aruzia Priority One, also Best Veteran and AOM. He has excellent sidegait and carriage and well bent stifles. This dog was not only competitive in this class but also right down to the final cut and breed. 2nd was a very substantial dog with both breadth and depth of chest. 3rd was balanced and sound with 4th having a lovely head and profile.

In the 10 plus class it was nice to see these dogs try their hardest for their owners and the crowd was very supportive.

The 7 to 10 veteran bitch class made me work and after going over all the previous Borzoi this was the class I will remember for a long time. This class was won by GCH Sylvan Vitrina Finian's Rainbow who showed her heart out. She was moved at a very appropriate speed where on this day she was balanced in movement front and rear with good reach and drive. In profile she had a very good continuous flow from nose to tail. Also an AOM. Second in this tough class was a bitch with beautiful profile, neck and reach and drive. 3rd was balanced in structure and profile and 4th was a curvy bitch with a dark eye and balanced on the move.

10 and over bitches was won by a bitch that I later found out was 12 years old but did not show her age with a long lean head and movement that was

competitive no matter her years. She was also an eventual AOM, quite an accomplishment for a veteran of this age. 2nd place was a very good bitch in good condition but her head was not as elegant as my first. 3rd tried very hard for her owner and had good sidegait.

My eventual Best of Breed winner was Ch Taugo's Ulric. This dog was a great specimen of our breed. He was masculine yet elegant, commanding and regal with a beautiful head, body and temperament. A dog who could not only do his job, but look beautiful while he accomplished his task. Elegant standing and moving and presented in wonderful condition. My Best of Opposite GCH Majenkir Bookstor Vintage Glamour was a substantial bitch with good reach and drive, with a lovely outline. At the end she asked for the win on the final go around. Select Bitch was Ch Aashtoria Svora Ice Queen, also best owner handler who had a beautiful head and profile and moved well in good condition. Select Dog, no picture taken, no critique given.

It was a fantastic three days of judging Borzoi in Albuquerque at the 2014 National. Thank you to the members for this opportunity and thank you to the committee for another specialty well done!

2014 BCOA National Sweepstakes Critique

By Cherie Hunchak

Thank you for the privilege of reviewing your delightful puppies. There was pride and love and boundless hopes and dreams apparent in the ring as we spent time together. I hope you enjoyed it as much as I did.

Your puppies over all showed great promise. I was particularly impressed when puppy after puppy exhibited wonderful body – rib spring and muscling and oomph! There were many beautiful, melting expressions as well and lots of well-knuckled feet. To be sure, we had some issues – some bites and missing teeth, stubby upper arms and tails that wanted to be sure they were noticed – but there were also nice long legs, dark eyes and lovely croups. I chose not to fault judge on flaws but rather to emphasize and reward qualities the breed could use. There was more than one class that was exceptionally strong, where a fourth place was no shame but rather only a reflection of a great puppy in a group that had deep quality.

Best wishes to each of you as you grow out these darling babies and wait with bated breath to see how the dreams unfold. I will be watching with great interest as your youngsters mature and go on to the great things I imagine they will. Thank you again!

6-9 Month Dogs

- 1) Glaciers Oh Captain My Captain: Nice dark eyes, well-set ears, very nice muscling for a baby, nice forechest and angles, feet a little loose right now, well bodied, very pretty mover with low tail carriage. This young man went on to Best In Puppy Sweepstakes. He just got better and better and held himself together all the way through.
- 2) Obi Wan Kenobi Z' Bilmy: Handsome puppy with lovely head, excellent veining, wonderful dark eyes, nice bone and substance and tail carriage, well angled, best front and reach but less sound right now. Biggest boy in the class.
- 3) Calabria Mielikki Riverrun Beyond The Darkness: A very cute package, this little man looks to be the youngest in the class. He has a lovely topline, super ears, nice dark eyes with black haws in a lovely head. Very nice feet and a nice long tail. He didn't move quite as freely as the older boys today but a very nice puppy.

9-12 Month Dogs

- 1) Gladkii Veter Ravens Wood: This youngster has a pleasing outline but a little more leg would be welcome at this stage. He has a nice neck and beautiful shoulder with good upper arm length and return. His head is pleasant, with nice dark eyes – an especially nice point in a self black dog. He has a long second thigh to match his upper arm and lovely low hocks. Feet are nicely knuckled and he is a nice moving dog.
- 2) Gladkii Veter Papi: This puppy is of similar style/proportions as #1, though not as well angulated. He has a larger ear, a nice shoulder

and topline/croup and a good low broad hock. A nice mover.

- 3) Akanni's Prince Madoc Howff Carbonel: This strong athletic boy has good leg and nice proportions and shape. He has a slightly larger ear, a dark eye in an elegant head, balanced pleasing angles, movement not quite as smooth but pleasant.
- 4) Resolute's Rafe Baudeen Jedawn: A tall, leggy pup with lots of strong body. He possesses a compact body, with a nice topline. Front and rear angles pleasant, not overdone, balanced. He has a straighter pastern. His hocks are low, feet are nicely knuckled. A larger ear and the head profile could be more elegant.

12 - 15 Month Dogs

1. Wildwood Smoke Of A Distant Fire: A longer bodied boy with a pretty head and nice ears. He could benefit from more leg but he has lots of bone and body. He has nice shoulders but I would like to see more upper arm length – that would be true for every puppy in this class. He has a broad hock and well-knuckled feet. A nice moving dog. There is a notable curl in his tail but he held it nice and low.
2. Golightly Daedalus Lukas Rozavetrov: A sturdy boy that gives the impression of a strong compact package. He has nice leg under him and I liked his proportions. He possesses a nice topline and croup and a moderate but pleasing rear. He has nice shoulders. His upper arm lacks length but is well returned. His head is somewhat heavy but not unpleasant, with a rosed ear. Well-knuckled feet. He was extremely proud of his tail.
3. Avalyn's Forgotten Realm: This is a nice leggy boy with very nice neck and shoulders and good proportions. His head profile has a more domed skull than ideal but the backskull was pleasingly narrow. He possesses large ears. He has good forechest but less body than one would want. He too has a short upper arm and it would be nice if it had more return. His hock is somewhat high as well. He did improve and use himself better as the class went on.

15 - 18 Month Dogs

- 1) Konza-Plum Creek Alfa Romeo At Aruzia: A really nice stallion of a dog, slightly heavier type but well put together. Good mover, solid body with good shoulders. His upper arm could be longer/more returned but he has a strong outline. His ears could be smaller. He carried his tail well in this class; he was a hot contender for Best in Sweeps but his tail and teenage boy brain got the best of him.
- 2) Aashtoria's Top Secret: Just a delightful dog, lovely front with great shoulders and wonderful upper arm length and return, lovely head and expression with small ears, lovely movement, wonderful topline, low tail carriage. He is within standard but a little more size would be appropriate – it would add that masculine “oomph.”
- 3) Aashtoria's My Secret Agenda: A beautiful young male of size and substance, with great leg

under him, nice pasterns and thick feet. He is a lovely mover, with a pretty headpiece that is still masculine.

- He has a lovely neck and shoulder but lacks length of upper arm. He exhibits a nice topline, broad hocks and great tail carriage.
- 4) Avalon Dark Knight Willowind Del Sol: A very athletic dog, moderate behind but strong, with great length of leg. He possesses an exquisite headpiece with a beautiful ears, very nice neck and shoulders and is set under himself well. Nice topline, nice foot knuckling; an adequate mover but one that could get the job done without any problems.

6-9 Month Puppy Bitches

- 1) Oleandra Z' Bilmy: Lovely head piece – wonderful veining, gorgeous dark eyes, small ears. Great front that she uses very well – lovely shoulders, long upper arm that reaches freely. Nice topline under that huge puppy coat. A little modest in second thigh but moves very fluidly.
- 2) Aria's I've Got Rhythm: A lovely baby with a melting face. She has wonderful forechest, well returned upper arm though hers was not as lengthy as the first puppy. Nice bend of pastern. The use of her front assembly was not opening quite as freely today but lovely topline, lovely rear, curvy and pleasing.

9 - 12 Month Bitches

- 1) Gladkii Veter Tierrauca: A very pleasing bitch. Good size, wonderful bone, nice outline with good length of neck, strong quarters, nice easy movement, good substance, nice feet, low tail carriage, very nice.
- 2) Gladkii Veter Grey Fox: This little girl was a little less stylish but very functional. She is more moderate in the rear but a very pleasing long upper arm, nice shoulder, good solid girl that is going to do the job.
- 3) Resolute's Brett Main Jedawn: A very pretty little package, this bitch is well balanced front and rear, nice leg, with compact construction. Her tail is higher than ideal.
- 4) Resolute's Willa Parker Jedawn: This bitch was slightly bigger than the #3 placement, with good leg and a compact body. She needed more length to her upper arm. A very pretty expression. A moderate bitch with a nice topline under that puppy coat.

12 - 15 Month Bitches

- 1) Wildwood Take Off The Gloves: A good functional bitch. She possesses a long, pretty head, nice ears, one of those rare good fronts, a nice bend of pastern and good leg. She has a strong

body and good topline. She has slightly more rear than she needs but she uses herself well.

2. Golightly Damask Rosa Vetrov: This bitch has great leg under her and strong loin muscling. Her head could be slightly more feminine but she possesses small, well-set ears. I would like to see more length to her neck and her upper arm and to her body as well Nice depth of chest, nice pasterns, a nice low hock, well-knuckled feet. Very curvy, with nice topline, nice pastern. A pleasing way of moving but tail carried higher than it should be this day.

3. Wildwood Tiny Dancer: Nice strong bitch with good neck/shoulder. She has a straight upper arm and while her topline falls away sooner than I like to see, giving her a longer croup, it is still strong and functional. A slightly longer/lower shape, well knuckled feet with nice pasterns. Tail carried higher. Movement not quite as free as the other entries.

15 – 18 Month Bitches

1. Del Sol Dark Canyon Avalon V. Willowind: Lovely head and eye, with high tiny ears. She is not overdone in any way, balanced both ends, great haunch muscling, could use a little more leg and depth of body. Nice tail carriage, beautiful mover on the side – easy, fluid, “go all day.” A great little athlete. This bitch went on to Best Opposite Sex in Puppy Sweepstakes.

2. Aashtoria's My Dirty Little Secret: Drop dead pretty girl, with beautiful head and expression, feminine, lovely outline but rather tense today so didn't move out quite as well as I suspect she can. Nice shoulder, upper arm could use more length; high set ears, nice pasterns, beautiful broad hock. Low tail carriage. Once she settles, she will indeed have her day.

3. Avalon WW Darkskaya Dare: A strong bitch with good shoulder, good leg and bone. Well knuckled feet, nice pasterns. Balanced angles, stands under herself well, very nice topline/croup. Rangier, good way of going along.

4. Avalon WW Dazzle In The Dark: A curvy bitch with a lovely elegant head, good leg, shorter coupled than number three. Well knuckled feet, nice pasterns, stands under herself well. I would like a broader hock.. Her topline falls away sooner than I prefer to see. A beautiful bitch but she didn't move out quite as well as number three today.

Veteran Sweepstakes

This traditionally is one of the most difficult group of entries to adjudicate and this day was no exception. There is so much emotion for our seniors and the bittersweet flavor of maturity mixed with aging. When the first classes entered the ring, I looked over the line up presented and thought to myself, “Are you kidding me?” In front of me were some of the top animals of their generation, at this stage still in their prime. It truly was a joy – and a

challenge – to see them all in one place. The quality overall was very deep and it was agonizing to be able to only award first place. Thank you for sharing your beloved veterans with us all.

My Best in Veteran Sweepstakes was Grand Champion Aruzia Priority One, JC, CGC. This is a lovely dog of impeccable quality in his prime. His head is pleasing, though of a heavier style, with a sweet, intelligent expression. His ears are nicely rosed. He has a lovely strong neck set into wonderful shoulders and an excellent front. I love his wonderful bone, body and substance and how his length of body and length of leg are so in balance. He has a lovely topline and croup and a beautiful rear with a lovely low broad hock. He has excellent sound movement, easy and athletic, carrying his tail low. He has lovely coat texture, not too much nor too little. A very fine animal.

My Best of Opposite Sex in Veteran Sweepstakes was Champion Aashtoria-Irishbrook La Rochelle, JC. This bitch has gotten only better as she has matured and is truly in her prime. A different style than the Best In Sweepstakes winner, she is more refined and elegant but equally as lovely. She is very feminine, possessing a long elegant head with high set pretty ears. She has a nice neck, set into good shoulders and is set under herself. Bladed bone, nice body. A little longer in body but acceptable, with lovely mature coat. Nicely angulated with a broad hock. She boasts a nice outline and croup, a good tail set and carriage and she floated around the ring.

While this was not my intent, these two animals complimented each other well and ironically, have actually been paired to produce a nice litter for their owners.

Again, my deepest thanks for this opportunity. I truly loved every minute of it. Huge thanks also to Karen Mays, our intrepid ring steward, who each year trains the unofficial judges. She is a gem.

Inaugural Presentation of Pet Oxygen Masks

In January 2014, the BCOA Board voted to begin a new program, funded by the BCOA Welfare & Rescue Fund. At each year's national specialty, BCOA will donate up to four (4) Pet Oxygen Mask Kits to the local fire department, beginning with the Albuquerque Fire Department at the 2014 National Specialty. The 2014 donation was \$300.

At the Annual Awards banquet, Ron Williams presented four Pet Oxygen Mask Kits to Battalion Commander Bob Hartley (pictured right with Barbara O'Neill), representing Albuquerque Fire Department. To our surprise and delight, the Commander arrived with six men and women firefighters. Ron's presentation was a heartfelt tribute to the men and women who serve as firefighters. Commander Hartley accepted our gift and expressed the department's gratitude, saying that the kits would be stored in his vehicle as it responds to every fire. I doubt there was a dry eye in the room. The BCOA is honored to have made this donation and looks forward to continuing the practice for years to come.

2013 BCOA NATIONAL FUTURITY CRITIQUE

By Michelle Luckey-Rowton

First off I would like to thank everyone involved with making the 2014 National Specialty happen. I know it takes a tremendous amount of work and dedication to keep our club and our sport going in today's climate. I think we have all seen the downward trend in our entries around the country so I was so very honored at how many wonderful Borzoi I had the pleasure of judging. I want to tell Karen Mays how much I appreciate her for helping me stay organized and doing, as always, a wonderful job ring stewarding. She was my rock.

Overall I was impressed at how many dogs presented to me had properly angulated fronts with nice deep chests and exceptional pro-sternums. Almost every dog had a good mouth and scissors bite. Many of the dogs had beautiful heads. The one thing I would have like to have seen more of was exceptional side movement.

Dogs, 6 months and under 9 months

1 ELANCE SUMMERLANE TIGERWING.

8/2/13. Breeders: Anne Quinn and Cherie Hunchak. By Elance Black Swan – Ch. Sylvan Pewter Gazelle. Owner: Anne Quinn

I loved this puppy. He immediately caught my eye, very correct outline, lovely head, dark eye, nice movement, nice short hocks, very happy. He was easily my first place puppy in this class.

2 LAUREATE PITCH BLACK. 8/18/13.

Breeders: Monica E. Barry and Elizabeth Moon. By Ch. Elance Black Swan – Ch. Laureate Adrienne K-C's Easy Lover, JC. Owner: Monica E. Barry

This dog too was a very nice puppy, nice outline good movement correct tail carriage, a little longer in hock than the first puppy.

3 SUMMERLANE ELANCE BLACK

SWALLOWTAIL. 8/2/13. Breeders: Anne Quinn and Cherie Hunchak. By Elance Black Swan – Ch. Sylvan Pewter Gazelle. Owner: Danielle D. Snyder

This puppy was reminiscent of the first puppy. I like many of the same things about this puppy as I did the first place winner. Today this puppy was a little loose in front. Again pleasing puppy, dark eye, nice outline.

4 KALABRIA MIELIKKI RIVERRUN BEYOND THE DARKNESS. 10/7/13.

Breeders: Renee McCartin, Kari McCloskey and Karla Smith, DVM. By Ch. Zharkov Téine Briar, SC – DC Valinor's Circuit De Monaco at River Run, RN. Owner: Kari McCloskey

When I saw this puppy enter my ring I thought he was winning it. I love his type, beautiful outline, lovely head but just not as together in movement as the first three.

Dogs, 9 months and under 12 months

1 KONZA-PLUM CREEK BUGATTI AT

ELANCE. 6/1/13. Breeders: Kay Cassella and Robert Bates. By GCh. Elance Beyond the Blue – GCh. Katz Fashion Finesse at Konza. Owners: Kay Cassella and Robert Bates

This puppy was spectacular and the one I would have taken home. He could move. He had a big open sidegait, pleasing outline although the shape of his coat did not reflect his actual structure. He was solid and powerful on the go away, still a little puppy sloppy on the come. He could have had a tad better ear set. All in all one of my best puppies of the night and the best moving dog in the futurity.

2 GLADKII VETER RAVENS WOOD. 5/31/13.

Breeders: Roy Silguero and Curtis Judd. By Ch. Wind n' Satin Fledge V Coburn, JC – DC Gladkii Veter N' Vision Alissa, MC. Owners: Roy Silguero and Curtis Judd

This puppy too was spectacular. He had so many of the fancy points that are needed in this breed. Beautiful head, dark eye and dark pigment, nice going and coming and good on the side. Deciding between 1st and second in this class was one of the most difficult of the night, this puppy was not as fluid in motion as my first place.

3 RESOLUTE'S ORRY MAIN JEDAWN.

6/22/13. Breeders: Leslie Walenta, Charlotte Hunt and Dawn Hall. By DC Zoiboyz Eclipse of the Heart, SC – GCh. DC Jedawn's Princess Aurora, CGC, MC, NA. Owner: Leslie Walenta

Both this puppy and his brother were very similar in type and movement. They both were good coming and going, very pleasing outlines with good bone, and nice heads and toplines. Would have liked to see just a bit more fluidity in motion.

4 RESOLUTE'S RAFE BAUDEEN JEDAWN.

6/22/13. Breeders: Leslie Walenta, Charlotte Hunt and Dawn Hall. By DC Zoiboyz Eclipse of the Heart, SC – GCh. DC Jedawn's Princess Aurora, CGC, MC, NA. Owners: Mark, Treestina and Madison Gilbert

Both this puppy and his brother were very similar in type and movement. They both were good coming and going, very pleasing outlines with good bone, and nice heads and toplines. Would have liked to see just a bit more fluidity in motion.

Dogs, 12 months and under 15 months

1 SYLVAN PIMLICO. 3/12/13. Breeders:

Christopher and Patti Neale. By GCh. Elance Beyond The Blue – GCh. Sylvan Topanga Canyon. Owners: Christopher and Patti Neale

This puppy was a very nice overall puppy, good coming and going and on the side and he was very pleasing to look at with nice breed type.

2 GOLIGHTLY DAEDALUS LUKAS

ROZAVETROV. 2/15/13. Breeders: Marcella Zobel and Josephine A. Hill. By FC

Tovaritch's Evarest

– GCh.

Golightly Valinor's Beau Monde, JC. Owners: Marcella Zobel and Josephine A. Hill

The body and movement on this dog was very good and he had a very nice front end, good on the side, nice solid male, tail carried too high.

3 AVALYN'S FORGOTTEN REALM. 2/12/13.

Breeders: Lynne and Rachel Bennett. By Majenkir Bookstor Fyodor Fine Art – Ch. Avalyn Everything My Heart Desires. Owners: Dino and Nancy Speziale

I liked this dog as well; very pleasing dog with good breed type nice head and good movement.

Dogs, 15 months and under 18 months

1 KONZA-PLUM CREEK ALFA ROMEO AT

ARUZIA. 10/30/12. Breeders: Kay Cassella and Robert Bates. By GCh. Aruzia Priority One, JC – GCh. Katz Fashion Finesse at Konza. Owners: Lorrie and John Scott

Very nice balanced attractive dog, moved well in all directions, pleasing head and eye.

2 GOLIGHTLY VAL-THOR CZECHMATE.

12/4/12. Breeders: Marcella Zobel and Betty de la Rosa. By Valinor's GL Lightning Strikes, SC – Yentl Krylov. Owner: Monika Stachon

Handsome dog, fluid movement, nice dark eyes, long well-set tail, just not quite as mature as my first place winner.

3 RAVENNA JAFINN CLOUDS IN WATER.

11/3/12. Breeders: Caryl Dumaine and Jacki Strovers. By Ch. Riju Téine Finnegan's Funtime – Ch. Ravenna Tesseract, BN. Owner: Caryl Dumaine

A male of quality; was having a good time in the ring, lovely head, just not as together as 1 and 2 today.

4 VAL-THOR GOLIGHTLY CENTURION.

12/4/12. Breeders: Marcella Zobel and Betty de la Rosa. By Valinor's GL Lightning Strikes, SC – Yentl Krylov. Owners: Betty de la Rosa and Marcella Zobel

A very handsome male, beautiful head and eye, dark pigment, would have liked more of him both in bone and angle

Dogs, 18 months and under 21 months

Zucker, Stuart, Marilyn and William McGraw
Gorgeous dog, well balanced, very well presented. This dog was fluid in motion and was overall very pleasing to the eye.

2 RAYNBO'S TRIPLE CROWN AT MASKOVA. 10/5/12. Breeder: Roni and Jennifer Zucker and Karen Roberson. By GCh. Raynbo's Run For The Roses – GCh. Raynbo's Butterscotch Perfection. Owners: Elisabeth and Jim Szymanski and Roni and Jennifer Zucker
Reminiscent of his brother just not as much angle, lovely dog, beautiful movement, nice breed type, good size and bone.

3 MIELIKKI HINOTE SECRET AGENT MAN. 10/4/12. Breeders: Renee McCartin and Margaret Strother. By Avalon Time's Dark Traveler, JC – Mielikki Windhaven Whispered Secret. Owner: Renee McCartin
Beautiful dog well presented, nice overall, just a little weak in the topline. Nice head, dark eye.

4 ZOIBOYZ GUINNESS. 8/6/12. Breeders: R. Peters-Campbell, M. Pearce, T. Golcher and KC Thompson. By Chabibi's Korona-Kazan, SC – Ch. Attaway-Kinobi Running to Paradise. Owners: Tom Golcher and KC Thompson
Nice male, good strong come and go, nice coat, pleasing head and my favorite color; this male was just a tad long for me and a little rigid in the topline.

Dogs, 21 months and under 24 months

- 1 ISLEHAVEN OSTROV ZABAVA ANTIGUA. 6/16/12. Breeders: Phyllis M. Potter, Patricia Wiseman, Irina Terra and Kristina Terra. By GCh. Zabava Tabasco, JC – Ch. Coburn Seabreeze at Islehaven. Owner: Phyllis M. Potter
This dog in a word was honest; he was solid on the come and go and good enough on the side. He had a really nice deep chest that was clean and he was in excellent condition. Beautiful scissors bite, nice small ears, would have liked much more angle both front and rear.
- 2 CH. STEPPES CALL ME MR STYLES. 5/23/12. Breeders: Monika Stachon and Robin Stachon. By GCh. Aastoria Wildhunt Hidden Agenda – Kahlua Steppes Gingersnap. Owners: Monika Stachon and Robin Stachon
I far preferred this dog's breed type; today this dog was just not as together as the first place dog.

JUNIOR BITCHES:

BITCHES, 6 months and under 9 months

- 1 ARIA'S IVE GOT RHYTHM. 8/14/13. Breeder: Rita Rice. By Valeska Indelible – GCh. Plaché Belle of the Yukon, JC. Owner: Rita M. Rice
The star of the day just put a smile on my face! Love her name, what can I say? She just didn't do anything wrong, she was beautiful to look at, she had dark eyes, well set small ears, moved cleanly on the come and go. She was balanced on the side, her topline was in the proper place and she was balanced front to rear .
- 2 LAUREATE PERCHANCE TO DREAM AT ISLEHAVEN. 8/18/13. Breeders: Monica E. Barry and Elizabeth Moon. By Ch. Elance Black Swan – Ch. Laureate Adrienne K-C's Easy Lover, JC. Owner: Phyllis Potter
This little girl was very nice as well. I moved her into second for her overall quality but she excelled in her front end.
- 3 SUMMERLANE ELANCE BARONIA. 8/2/13. Breeders: Anne Quinn and Cherie Hunchak. By Elance Black Swan – Ch. Sylvan Pewter Gazelle. Owner: Anne Quinn
I loved the breed type on this puppy; she caught my eye when she came into the ring. She may just be a bit slower to mature than my first and second place dogs.
- 4 LAUREATE PERSONAL ENSIGN. 8/18/13. Breeders: Monica E. Barry and Elizabeth Moon. By Ch. Elance Black Swan – Ch. Laureate

Adrienne K-C's Easy Lover, JC. Owner: Pascale Smith
I loved this puppy as well; a little thin, not too well groomed and was in need of a little better presentation. She reminded me of a baby female version of Ch. Crescent's Arctic Glacier.

BITCHES, 9 months and under 12 months

- 1 GLADKII VETER TIERRUCA. 5/31/13. Breeders: Roy Silguero and Curtis Judd. By Ch. Wind n' Satin Fledge V Coburn, JC – DC Gladkii Veter N' Vision Alissa, MC. Owners: Roy Silguero and Curtis Judd
This was a really hard decision for me. This class could have gone either way for first and second. Both 1st and 2nd place bitches were beautiful. This bitch had beautiful fancy points, black eyes, tiny ears, so well balanced front to rear; nice topline, deep chest, good tail carriage. Good on the side and go away, a little loose coming in but all in all a lovely girl. Beautiful bitch could have had a little more reach and drive but very typey and pretty; not as good on the move as the second bitch
- 2 KONZA-PLUM CREEK BALBONI. 6/1/13. Breeders: Kay Cassella and Robert Bates. By GCh. Elance Beyond the Blue – GCh. Katz Fashion Finesse at Konza. Owners: Kay Cassella and Robert Bates
Like her brother she was a beautiful moving dog, very fluid, big open sidegait. Definitely one of the best today.
- 3 SVORAS SECRET HEIRESS. 5/12/13. Breeder: Shirley McFadden. By Ch. Svoras Matador Aria – Ch. Aashtoria Svora Taiga Ice Queen. Owner: Shirley McFadden
Nice substance, good-moving bitch, good coming and going, well trained and beautifully presented. Preferred the toplines on 1st and 2nd. Beautiful head, could have had a little more front end
- 4 GLADKII VETER BLACK OPAL. 5/31/13. Breeders: Roy Silguero and Curtis Judd. By Ch. Wind n' Satin Fledge V Coburn, JC – DC Gladkii Veter N' Vision Alissa, MC. Owners: Amy Buerckley and Roy Silguero
Nice type, beautiful head, dark dark eye and pigment, good topline. Not a great front end but very nice type.

BITCHES, 12 months and under 15 months

- 1 GOLIGHTLY DAMASK ROZA VETROV. 2/15/13. Breeders: Marcella Zobel and Josephine A. Hill. By FC Tovaritch's Evarest – GCh. Golightly Valinor's Beau Monde, JC. Owners: Marcella Zobel and Josephine A. Hill
Very nice bitch over all; winged a bit and tail carried a bit high.

1 SYLVAN RAFAELLA. 6/12/12. Breeders: Christopher and Patti Neale. By Ch. Sylvan Hue and Cry – Ch. Sylvan Nutmeg. Owners: Christopher and Patti Neale
Lovely bitch well presented, I liked everything about this bitch except her topline. She had a fabulous front end and that is what put her in first place. She was fluid on the side and had a good come and go.

2 ZABAVA ISLEHAVEN OSTROV ISABELA. 6/16/12. Breeders: Phyllis M. Potter, Patricia Wiseman, Irina Terra and Kristina Terra. By GCh. Zabava Tabasco, JC – Ch. Coburn Seabreeze at Islehaven. Owners: Irina Terra and Kristina Terra
I quite liked this girl too; she was good on the come and go, good on the go around, nice front end, good layback of shoulders and upper arm. 1st and 2nd could go either way in this class.
