# Observations and Critique of the 2016 Borzoi Club of America National Specialty

By Ron Spritzer, Spritzkof Borzoi

It was a great pleasure and an honor to judge the Borzoi national. I hope the exhibitors enjoyed the show at least half as much as I did. Even though the staff of the host hotel tried to do everything possible to make it a good show, it had to be disappointing to all who worked so hard, plus the exhibitors, that the hotel was under construction, causing the site to not be all it could have been.

I started in Borzoi in 1968 and was pleased to judge the quality of the animals you brought me. I started judging Borzoi in 1982 so judging the national is a highlight of my judging career. In this show I saw few missing teeth, good temperaments and good movement. I did, however, see a number of weak rears. I do want a good front but a coursing hound must have a strong rear. I believe there will be many champions coming out of the dogs that I judged. In many of the classes the second placement on another day could be first.

My choice for Best of Breed was GCh Belisarius JP My Sassy Girl, a bitch as nice as I have seen. Her gait was so smooth and effortless with good reach and drive, not putting a foot out of place. My Select Bitch GCh Chihawk Echoesna I Lov You came very close, however she was a slight bit heavier and didn't quite have the smooth flowing gait as the winner.

Best of Opposite Ch Taugo's Ulric came out of the veterans class and is eight years old. If I

could be in as good condition when I get to be his age as he is, I would be pleased. He was in good weight, nice coat, great outline, good head and effortless movement. On any given day he could be my best of breed. Select Dog GCh Mielikki Hinote Secret Agent Man is also a fine example of our breed. He has the outline with correct angles, good reach and drive and in great condition.

Best of Winners Aliza At Zoiboyz Rosa Wetrow is a refined bitch with plenty of bone. She is feminine but with her movement and strength she certainly would get her job done. My choice for Reserve Bitch Kyrov-Katz My Oh My At Horse And Hound was also very nice but lacked some of the elegance that the winner had.

Winners Dog Belisarius JP CL My Big Boy is a beautiful dog with strength of movement, good reach and drive, showing a nice outline where all the parts come together. However he was pushed to Winners Dog by my Reserve Winner who came out of the 9 to 12 month puppy class. Chihawk Legacy Wave is truly a great puppy. I would be proud to point to him at any time; he has everything going for him.

To all the Awards of Merit, I compliment you: all fine examples of our wonderful breed. They are in no special order: GCh DC Zoiboyz Encore, GCh Raynbo's Foolish Pleasure, SC, GCh

Avalyn Kahlan My Fayina, GCh Windrift Nobody Does It Better, DC Avalon Druid Dance Willowind, GCh Lejoy Carol's Wintergreen Jojo's Gift Of Grace, Ch Starswift Lightning Quick, GCh Sylvan Silver Springbok, Ch Roztropna Rada Polot, and I especially congratulate GCh Majenkir Luna Flyte who came out of the veterans class.

I want to thank the junior showmen, all of whom did a nice job. First in Novice was Sierra Marvin and Best Junior was Emma Gauthier out of the Open class.

It was also fun doing the triathlon conformation judging.

As you can probably tell when I am judging, as the dogs come into the ring, I am looking for the picture that is in my mind of the ideal Borzoi. Next I am looking at movement since it is so important to a coursing hound. Then I am looking at the most important smaller parts of the dog such as teeth, eyes, ears, tails, feet etc.

Hope all enjoyed the national. See you soon. Regards, Ron

# 2016 BCOA National Sweepstakes Critique

By Jon Reimer, Windrift

I was extremely pleased with the quality of the entry. The animals were all sound moving with only a few loose fronts coming. Sidegait was very good with most showing reach and drive and no mincing gaits to be seen. Mouths were strong with few missing teeth in the entire entry. A small number of P2s and possibly one P4 were missing but all had proper bites, mostly scissors, with one or two even. There was some variety in front and rear angulation, but no cathedral fronts or unangulated rears. Tails and tail carriage were mostly good with few gay, happy or curled tails. Temperament was, for the most part, excellent with only a few showing some resistance to being examined. Eye color was also mostly good with a range from amber to very dark but no yellow eyes to be seen. I have judged a few specialty sweepstakes in my time and have never seen this measure of overall quality in my previous experience. Speaks well to the future of the breed.

When I reviewed the class winners lined up for Best in Sweeps, I was happy to see that I had been able to find something I liked in each class. All showed good neck and shoulder assembly, good breadth and rib spring, proper toplines, with good rear angulation and well let down hocks. Coat and coat type varied a bit, but all were well covered. A little variety in head types as well, but all were within the requirements of the breed.

## Dogs:

Overall, I felt the dogs classes were slightly stronger than the bitch classes. This is the first time I've been able to make that comment, it being more difficult to make up a good dog than bitch due to the difference in size and thus growth patterns.

6 - 9 Month - A lovely little dog showing all the things I mentioned above very well. It acted older than his age and seemed to belong in the ring. Excellent movement from all angles. Excellent type. I liked him well enough to give him Best Opposite Sex.

12 - 9 Month - This was a very strong class, making the selection difficult but the class winner was a well-balanced, excellent-moving dog. Found out later that this was a Russian import. Who knew? Best Russian dog I've ever seen.

12 - 15 Month - Another very strong class. The dog I selected had excellent rear angulation with a nice short hock and used it all very well. If I hadn't fallen in love with the baby puppy, this would have been my choice for BOS.

15 - 18 Month - The smallest entry in dogs, but this dog showed the attributes I mentioned above very well.

## Bitches:

6 - 9 Month - The little girl I selected turned out to be a littermate to the young dog I had selected but I could tell while judging. They were very close in all the attributes I mentioned in my summary. If one fit my judging requirements, the other had to as well. The breeder(s) of this litter should be very pleased.

9 - 12 Month - The class winner was a nice sound, typey bitch with good substance and size. Excellent moving from all angles and very well prepared and presented. Good head and eye color added in made this my choice for Best in Sweeps. Turns out her litter sister was second to her in a big and excellent class. The breeder(s) of this litter should be pleased with the results.

12-15 Month - A very nice little girl showing very well all the attributes mentioned in my summary. She would have been my second choice in Bitches.

15-18 Month - This was another very sound typey bitch from a good class. She showed the attributes mentioned above, with good movement from all angles.

## Veterans:

It was a pleasure to be able to judge these classic beauties, including several who have enjoyed a long and successful career in the show ring. One would have to have just returned from the moon not to recognize some of these stalwarts in the breed. My selection for Best Veteran was from the 9 and under 10 class who looked and acted like he still belonged in the ring. A beautiful dog aging beautifully. My choice for Best Opposite Veteran was the dignified lady from the 8 and under 9 class. Both of these dogs still maintained the type and movement necessary in the breed.

## Conclusion:

Thank you so much to the members of BCOA for selecting me to judge this entry. It was an honor I greatly appreciated and completely enjoyed. The quality of the youngsters left me with great hope for the future of the breed. The grace and elegance of the oldsters left me hoping that I too, can age that gracefully. Maybe . . . having been around them for so many years, it will have rubbed off.

## 2016 Costume Contest

# 2016 BCOA National Futurity Critique

By Veni Harlan, Far Field

**T**HANK YOU for the great honor of judging the futurity. It was a delight, a privilege, and a memorable experience! **Kudos:** I had the best team! Futurity chair Joyce Katona did an outstanding job. I was amazed at how composed and tireless she appeared. Karen Mays, known throughout the western hemisphere for her stewarding skills, was exceedingly patient with me. I shall never ever again use "A" to mark absentees as my A we discovered looks deceptively like the number 4. Mercy me! The talented and witty Margie Milne outdid herself with awards—one-of-a-kind Borzoi art. Special treasures to be sure. Barbara O'Neill and committee provided a welcomed reception made more enjoyable with the sound of Rita Rice's beautiful harp. It must be quite a feat to bring a harp to a national, never mind dogs! After my shoe blowout, some may be amused to know that I happily spent the generous Amazon gift card on new Skechers. Thank you BCOA. Special appreciation to Laura Hyatt, Pat Murphy, and Robin Casey for answering questions on protocol and for their wisdom and experience with handling large entries. Much respect to photographer Elaine Ruston for her patience, professionalism and exceedingly good cheer through out a very long evening. Last but not least, my respect and appreciation to all breeders/exhibitors for bringing their lovely Borzoi to me. Everyone was so gracious.

**Overall impression:** The depth of quality in a wide variety of styles was superb. I was very impressed with the general presentation of exhibits by their handlers. Most youngsters were not only well trained, happy and stood for exam but were also in fine muscular condition, so key to proper development. Such a pleasure to see and feel. There were very few gay tails to my delight and little trouble with mouths. I found many excellent moving dogs with lovely carriage, structure, elegance and expression. Each class brought a smile to my face.

I did observe a dearth of breed details such as roman finish, small high-set ears and proper feet, the latter being the most concerning. There were more than a few feet lacking proper knuckling, being in degrees splayed, flat or catfish as well as slack pasterns. There were also a few heavy, low-set ears on otherwise promising exhibits. All of these elements contribute to breed type and function and should be given careful attention.

**Exam:** Many handlers did not know how to show the mouth and/or dog was not trained to allow inspection. My primary concern is that lack of training made for an unpleasant experience for the dog, which no one wants. Secondly, I can't assess what I can't see. Often I jumped in for expediency but that's not ideal for some dogs, particularly green youngsters. A few did not allow complete examination of the mouth which I didn't press. But when one cannot see

the mouth, it puts the dog at a disadvantage for ribbons.

3rd - Laureate Good Omens At Deco: Pretty curvy girl who used herself well on the go.  
4th - My Lil Tufftoo Bella By Starlight: Elegant girl, light and easy on the move.

### Bitches, 12 months and under 15 months

- 1st - Sylvan Eleonora: Lovely expression, very balanced frame. Her sound, light, open movement put her at the top of the class

3rd - Kirov Dawn's First Light: Moderate girl who was sound, substantive, and balanced.  
4th - Justart Hot Commodity: Pretty curves and side gait.

**BEST JUNIOR BITCH: SYLVAN ELEANOR:** Really tough. All 3 were exceptionally nice females. The gold girl's carriage and ground-covering movement edged her to BJB.

### Bitches, 15 months and under 18 months

- 1st - Hemlock Hollow's Journey To Rule Sixty-Two, RN, CGC: Very pretty expression, smooth on the move, beautiful, balanced outline.  
2nd - Hemlock Hollow Aruzia Desertwinds Journey, JC: Nice expression and ground covering movement.  
3rd - Hemlock Hollow Aruzia Enjoy The Journey: Very pretty outline, super rear and expression.  
(1/2/3 were very similar in style and movement. it was picking straws to place them. 1st place edged over others based on outline.)  
4th - Ravenna Takes A Village: Beautiful sloping shoulder and deep chest. Sound and easy on the go.

### Bitches, 18 months and under 21 months

- 1st - K-C Windsheer Send Her My Love: Pretty, curvy and completely sound and smooth on the go.

3rd - Oxota Runtuff Moonshine: Lovely solid, well constructed girl.  
4th - Karitonova Majenkir Love At First Sight: Curvy girl with beautiful dark eye and nice sloping shoulders.

**BEST SENIOR BITCH: RUNTUFF RIVERRUN WILD BLACK BETTY:** All 3 contenders exceeded in breed type, structure, soundness, and possessed flowing outlines. The 21-24 bitch edged out the competition with her carriage and structure.

### BEST IN FUTURITY: GCH. RUNTUFF WHISKEY'S REBELLION

What an exciting line-up of four beautiful Borzoi!

I found the Senior Dog to be exceptional. He is well constructed, masculine without coarseness, substantive but curvy, sound but not exaggerated. His strong, well set neck set on sloping shoulders and tied to a deep chest. Pasterns and hocks were ideal in length, width, and angle. Feet were tight and arched. On the move he was sound and clean in all directions and covered ground with ease and grace. His fine carriage was illustrative of how well he was put together. Never a foot amiss. He was also correctly coated and well-muscled. I felt this male quite looked the picture of an ancient hound, regal, strong, and gentle with all the right parts to do his job.

## FUTURITY

### BEST OF OPPOSITE SEX IN FUTURITY: SYLVAN ELEANOR

Both bitches were of highest quality and I was quite torn between them. In the end, the gold simply edged out the black on the move being lighter and longer gaited.

I found the gold girl to be an extremely beautiful female with an elegant curvy outline that flowed. Her effortless, ground-covering movement was a pleasure to watch. She did not put a foot wrong in any direction, a credit to her sound construction. Her head was made beautiful by its length, pleasing planes, large dark eyes, roman finish, and tight, high set ears. A long, arched neck was nicely set on sloping shoulders. Good width fore and aft. She had appropriate bend of stifle and pastern and correct feet. Overall a very balanced, beautiful moving bitch that looks fast, agile, and elegant.

**Brood Bitch Class:** I felt completely sorry for those who hung in for so very long (midnight I believe!) to show in Brood Bitch. I truly wanted to give both entries an award for endurance as they were equally worthy and full of quality. Unfortunately I could only choose one but it could've easily gone the other way on a different day.
