Bitch. Self-black with white
 Whelped November 3, 1965
 Bred by B.C. Rowland and Locksley Halls Kennels

Although an early leg injury kept Kolotta from the show ring, she's found her niche in the Borzoi world through her offspring who are making their mark in conformation and obedience rings and in the field. Winner of the 1970 BCOC Specialty Brood Bitch class, Kolotta is the dam of one champion and five CDs with others nearing their titles.
