Jobi March

Male. Red and white
Whelped November 1, 1968
Bred by Joanne B. Jelke

Owner: Joanne B. Jelke
Houston, TX

March has produced a champion son – Jobi Warlord. March’s father, Ch. Reyas Rohan, Jobi March and Ch. Jobi Warlord all throw the consistent type of Borzoi – heavy boned, short bodied, deep chests and beautiful coats. The excellent movement of Rohan has been transmitted through each generation. He moved wide in the rear with great length of stride in the front. Pictured at 14 months.
