Khanrad doing what he loves. A joy to watch on the field over his nearly eight years. He earned his FCh. by winning Open at the 2008 II only to lose a double BOB runoff to his litter sister Iris. He then won the FCh. stake the next day. At the 2014 II, as a Veteran, he went BOB both days at the age of 7+. The only dog I have bred to win all 3 II stakes in his career.
