

30 September 2018

Greetings!

This mailer includes three important pages, each its own color.

Essential for all adult members:

1. 2019 Member renewal & information update page.

This page is green.

Alternatively, you may pay dues on-line:

<http://www.borzoiclubofamerica.org/shopping2013.html>

If you are completing it by hand, writing out a check and mailing it in the time-honored fashion, it must reach the Treasurer by 31 December 2018. Be sure to update any contact information and check the box.

2. Sudden Death Survey

This page is yellow.

Important that you respond *even if you have never lost a borzoi to sudden death*. Alternatively, you make take this important survey on-line.

Deadline: 31 December 2018

Optional:

3. 2018 Election Slate of Candidates

This page is blue.

Nothing you need to do unless you plan to run on petition. In which case, follow the instructions on the page.

4. Nominations for 2021 National Specialty Judges

This two-sided page is pink.

The names listed are those who are *not* eligible to judge because they have done so since 2016. Nominating them again wastes paper, time, and money. It saves everyone time if you secure permission before nominating a sweepstakes judge. This form must reach the Recording Secretary, by 31 December 2018. Both members of a two-member household may use the same form. Just be certain to include both members' names on the envelope.

Note: It takes only one nomination for a name to appear on the breakdown ballot; nominating the same judge twice does not improve chances.
