

Purpose: To acknowledge the achievements of member-owned Borzoi who compete in a minimum of three unrelated areas, one of which must be conformation, during the award year. All points accumulated toward the AVA must be acquired after an individual achieves BCOA membership status. Entry level requirements are a minimum of one conformation point plus one minimum requirement from each of the following areas:

- 1) Obedience/Tracking/Agility: one qualifying leg or one tracking title.
- 2) Coursing/Racing: one point or a JC or a SC or a MC.

Borzoi with prior titles in these areas may compete; however, no credit will be given for these prior titles. Dogs with prior titles wishing to compete for the Annual Versatility Award may do so by competing for another title or higher title in the same area. For conformation titled Borzoi, the minimum one point conformation requirement is waived.
