RIDGESIDE

SYLVAN RIDGESIDE SUNSET

03/06/2015

(Ch. Monarch Sylvan Zorro x GCHS Sylvan Silver Springbok)

Bred by Chris and Patti Neale / Owned by Guy Tarsitano and Ron Williams

Sunni with limited showing won her second major under Breeder/Judge Barbara O'Neill. Sunni has represented Borzoi at the last two AKC Meet the Breeds events in New York City during Westminster. With her bubbly and sunny personality, she has been one of the favorites for both kids and adults. One young child informed me she wanted to return to the event to hopefully see Sunni again!

Thanks to Chris and Patti for giving us the opportunity to own both Sunni and her brother Sylvan The Captain at Ridgeside (Jeter).

BCOA 2017 FINAL Rally Rankings

for BCOA member-owned Borzoi, January 1 to June 30, 2017

Corrections to June Mintchell, PO Box 31, N Manchester, IN 46961, rmintchell@yahoo.com

The first person listed as the dog's owner by AKC must be a BCOA member to be included. To be ranked #1 overall at year's end, a dog must have at least 3 QS from the regular classes and all QS from the regular classes will be averaged for that dog. To be ranked #1 in any particular class at year's end only 1 score is needed.

Started in 2016 was the offering of an OVERALL #1 dog in rally. Same rules apply to rally as to obedience. A minimum of 3 scores are needed to be the OVERALL #1 dog. All of the dogs scores from rally are averaged so if a dog competes in more than level all of his scores are rolled into one. Just like obedience, only 1 score is required to be #1 in any given class. PLEASE NOTE that my e-mail addy as listed under coordinator in the membership book is incorrect as it is missing an 'l' on the end of my name.

#1 in rally is FC Téine Mirage At Riju SC, CD, RN, BN with a total of 3 scores and an average of 99.67

OFA Cardiac Screening – The Advanced Cardiac Database

by Nancy Hopkins

Those of us who have been doing OFA cardiac screenings on our dogs are familiar with the one-page *Application for the Congenital Cardiac Database* and the auscultation that was required. As of April 2016, there is a new cardiac database offered by OFA: the Advanced Cardiac Database (ACA) which will eventually replace the old single-page application and the Congenital Cardiac Database. The ACA will include certification for both congenital cardiac diseases as well as adult-onset cardiac diseases. It is important to understand how the ACA compares to the Congenital Cardiac Database so you understand how this change will impact you and your dogs.

Before we compare the two different types of OFA clearances it is important to understand the difference between congenital cardiac disease and adult-onset (developmental) cardiac disease. Congenital cardiac diseases are those that are present at birth

and may worsen with age. They include malformation of any of the heart's chambers or valves, or the blood vessels going from and coming into the heart. Examples of congenital cardiac defects include: patent ductus arteriosus (PDA), pulmonic stenosis (PS) and subaortic stenosis (SAS). Adult-onset (developmental) cardiac diseases are those that are seen later in life. These include endocardiosis (mitral valve disease/myxomatous valve degeneration), dilated cardiomyopathy and arrhythmic right ventricular cardiomyopathy.

Based on the Borzoi health survey at OFA (<https://www.ofa.org/about/educational-resources/health-surveys>) we see Borzoi suffer from both congenital cardiac defects and adult-onset cardiac disease. This means that both types of OFA cardiac certification—congenital and adult-onset—have value for Borzoi breeders.

OFA considers a careful clinical evaluation with auscultation of the heart as ideal for

congenital heart defect screening due to its low price and convenience. Auscultation is useful because almost all congenital heart problems commonly found in dogs are associated with murmurs. One will miss a portion of congenital malformations because they are sometimes hard to hear. Some dogs will also be found to have a murmur that with further investigation will be found to be physiologic (functional or innocent) murmurs. No dog should be considered to have a congenital malformation based on auscultation alone. Any abnormal finding should always be further investigated with an echocardiogram to identify the nature of the murmur and its relevance to your dog.

However, once a dog has passed an auscultation and received an OFA congenital cardiac clearance through the ACA, the dog should move to evaluations focusing on adult onset diseases. OFA certification for congenital cardiac defects is not sufficient

READYBORZOI

Home fires are the most common disaster and also the most preventable. According to the United States Fire Administration, an estimated 500,000 pets are affected annually by fires. The AKC and ADT Security Services offer the following tips...

Make a Plan

The best way to protect your pets from the effects of a fire is to include them in your family plan. This includes having their own disaster supplies kit as well as arranging in advance for a safe place for them to stay if you need to leave your home.

Invest in Flameless Candles

These candles contain a light bulb rather than an open flame, and take the danger out of your pet knocking over a candle. Cats are notorious for starting fires when their tails turn over lit candles.

Smoke Alarms Save Lives

According to the US National Fire Protection Association, the risk of dying in a home fire is cut in half in homes with working smoke alarms.

The United States NFPA code requires smoke detectors on every habitable level and within the vicinity of all bedrooms. Habitable levels include attics that are tall enough to allow access.

Extinguish Open Flames

Pets are generally curious and will investigate cooking appliances, candles, or even a fire in your fireplace. Ensure your pet is not left unattended around an open flame and make sure to thoroughly extinguish any open flame before leaving your home.

Practice Your Evacuation

When you practice your escape plan, practice taking your pets with you. Train them to come to you when you call.

In the event of a disaster, if you must evacuate, the most important thing you can do to protect your pets is to evacuate them too. A well trained and socialized pet will prevent delays which could prove fatal.

Secure Young Pets

Keep them confined away from potential fire-starting hazards when you are away from home such as in crates or behind baby gates in secure areas.

Remove Stove Knobs

Be sure to remove stove knobs or protect them with covers before leaving the house - a stove or cook top is the number one piece of equipment involved in your pet starting a fire.

Help Firefighters Help Your Pets

Keep pets near entrances when away from home. Keep collars on pets and leashes at the ready in case firefighters need to rescue your pet. When leaving pets home alone, keep them in areas or rooms near entrances where firefighters can easily find them.

Affix a pet alert window cling and write down the number of pets inside your house and attach the static cling to a front window. This critical information saves rescuers time when locating your pets. Make sure to keep the number of pets listed on them updated.

DOG SHOW DEBRIEF!

AKC National Championship, Orlando FL December 15-17, 2017

by Deb Vidaver-Cohen

Much to the relief of exhibitors and Meet the Breed participants, the AKC National Championship returned to its regular venue at the North/South Concourse of Orlando's Orange County Convention Center. No parking drama! No blistered feet from round-trip half-mile hikes between vehicles and ringside! No fights in the grooming area! Even the blue carpet was back in many rings.

In its 17th year, the ANC drew record entries with the addition of yet another event: the inaugural AKC Royal Canin National All-Breed Puppy and Junior Stakes, held on Friday before regular breed judging. Although no Borzoi were entered by BCOA members in this competition, member Patti Neale judged the individual hound breeds.

The Invitational Finals for the AKC National Owner-Handled series were also held on Friday. Hearty congratulations to the seven BCOA members whose Borzoi qualified for this competitive event! Unfortunately none were able to attend this year but Stephanie Shelton Steele, owner/handler of the NOHS Finals BOB winner GCH Sylvan Dreamweaver, has applied for BCOA membership.

Beginning on Friday and throughout the weekend, BCOA member Lou Avant and Whimsy (Ch Hemlock Hollow's Journey to Rule Sixty-Two, BN, RN, JC, AX, AXJ, CGCA, TKA, DJ, DN) burned up the obstacle course during the National Agility Invitational with qualifying scores each day. The multi-talented Whimsy also earned an invitation to the Dock Diving Finals held concurrently (although Lou decided to keep her dry for the weekend). Bred by BCOA members Christine Danker and Lorrie Scott (by Ch Aashtoria Aruzia Java Chip x GCG Ch Borscana Melissa Loveletter, BN, RE, OAJ, OJP, JC) Whimsy earned the coveted BCOA #1 Versatility award for 2016 by competing successfully in conformation, obedience, rally, lure coursing and agility. According to Lou, on a dare, a friend asked that she prove Whimsy's true versatility by entering her in a dock diving trial. Proving that she'll do anything asked of her, Whimsy finished as the #3 Dock Diving Borzoi for 2017. Before turning three years of age, Whimsy earned

invitations to two AKC national performance events in 2017: agility and dock diving. She has also earned an invitation to the 2018 AKC Agility Invitational. Currently she is the #1 Agility Borzoi in the country in both speed and MACH point rankings. When not competing, Whimsy loves hiking and playing in her lake. She also has a cameo appearance in the soon-to-be-released movie *Pitch Perfect 3*. Lou adds:

"The joy Whimsy exhibits as she continues to perform and learn new things is contagious, making her an incredibly fun dog with which to share a life."

After the competitions, we set up our eye-catching BCOA Meet the Breeds booth and by late Friday evening we were ready to

welcome Borzoi and guests. The stunning larger-than-life photos by Patti Neale attracted attention from all passing by but as always, the Borzoi were the major attraction.

Borzoi breed judging, under William Sahloff, began Saturday at a civilized 12:30PM, allowing plenty of grooming time for handlers to make their Borzoi shine. Despite the fact that BCOA member

OFA CARDIAC SCREENING – THE ADVANCED CARDIAC DATABASE CONTINUED FROM PAGE 23

for clearing a dog as a breeding prospect due to the significant presence of adult-onset cardiac disease in our breed.

According to the Borzoi health survey at OFA, the top adult-onset cardiac disease impacting Borzoi is cardiomyopathy. Endocardiosis may be a significant issue for our breed as well, though this is not clear from the statistics. A review of recommendations for large-breed dogs, that are known to have a high incidence of cardiomyopathy, shows that echocardiography is recommended for screening breeding animals, usually starting at the ages of three or four years. Because of this, echocardiography should be sought whenever

possible for screening Borzoi for adult-onset cardiac disease, as auscultation alone will be insufficient.

The benefit of the new ACA will be better data collection to support breeders' efforts toward improving Borzoi health. One

improvement is the triplicate format of the ACA application. One of the pages will be mailed to OFA by the cardiologist whether or not the owner elects to send in the form for OFA certification. This is critical as the statistics provided by the Congenital Cardiac Database is incomplete because it depends on owner mail-in. Also, the ACA application provides much more information

about both the auscultation findings and the examination details of the echocardiogram. This improves the quality of information gathered for the benefit of Borzoi.

The chart below provides a side-by-side comparison of the two types of OFA cardiac clearance schemes.

entries were in the minority this year (only 5 of the 15 present) our members garnered the majority of awards. BOS and Best Bred by Exhibitor went to BCOA member Kay Cassella with Ben (GChS Konza-Plum Creek Bugatti at Elance). Ben's half-brother Max (GCh Sylvan Dreamweaver, JC CGC), owned by BCOA applicant Stephanie Steele, was awarded Select Dog and all three of member Jean Durdin's Specials received recognition. Select Bitch was awarded to Jean's Valentina (Ch Crown Jewel Valentina of Majenkir CA) with Awards of Merit presented to Valentina's dam, Tatiana (GChP Crown Jewel Tatiana) as well as to her grandsire, Nicholas (GChG Promises Crown Jewel Nicholas). Henri Goldner's lovely "Flame," (GChB Echoesna's Keeper Of The Flame), rounded out the BCOA member entries.

All BCOA member-owned Borzoi awarded this year boast impressive show records. BOS Ben, according to Kay, easily finished his AKC championship from the puppy class and has gone on to a consistent winning record, quickly attaining his Canadian Ch, then returning to the US to embark on a Specials career and reaching the GChS level in record time. Ben's notable wins, in addition to his recognition at this year's National Championship, include a Best in Futurity win at his first BCOA National Specialty, BOS at the National Specialty in 2017, BOS at the Westminster Kennel Club in 2018 and multiple group wins and placements. "Team Ben" (Cherie Hunchak, Robert Bates and Kay Cassella) could not be more pleased with his success!

Jean Durdin's Borzoi have also regularly attained recognition throughout their show careers, particularly Tatiana, the #1 ranked Borzoi all systems in 2015 and 2016. In 2015 she also won the Breed at Westminster and is the first Platinum GCh Borzoi bitch in history. Tatiana is also a successful producer, with an up-and-coming litter that includes one grand champion, two champions, one dog only three singles shy of the Ch title and one with a hound group win at only eight months old. Tatiana's daughter, the young Valentina, finished her championship in a flash and at barely 18 months of age was consistently awarded Select Bitch over mature competition throughout this year's Orlando circuit. Last but not least, the multi-group placing Nicholas, sire to Tatiana and grandsire to

Valentina, has also clearly made his mark. Nicholas was ranked among the Top 5 Borzoi in 2013 and 2014, as well as in the top

10 Borzoi for 2016 and 2017. He is a sire of an all-Grand Champion first litter and only 36 points away from his Platinum Grand.

While not in the ribbons this year, Henri Goldner's Flame also has a notable show record with multiple BOB wins, hound group placements and specialty recognition.

spare following Borzoi Breed judging, we made it to the Bred-By-Exhibitor Hound ring just in time to watch Kay present

Ben for examination by judge Dr. James W. Edwards. In this extremely competitive group, we were thrilled to see our BCOA representative awarded a Group 2 over many of the top hounds in the country. Certainly a breeder's dream come true to be honored at such a prestigious event.

Sunday was spent at the BCOA Meet the Breeds booth, capped off with all dog show aficionados' favorite pas-

time—shopping! Unfortunately, similar to last year, Borzoi pickings were slim. However we were happy to see one of our regular BCOA

National Specialty vendors -- sculptor Leslie Hutto with her dynamic Borzoi bronzes. While not a Borzoi owner (yet) Leslie has succeeded in capturing the essence of our breed's elegance, power and speed in a unique and energetic way. This breathtaking sculpture "Pursuit"

undeniably epitomizes "Everything Borzoi."

Finally, on a purely utilitarian note: the most exciting and spectacularly useful find for this author was a nifty keychain decorated with a sable Borzoi head embossed in leather and attached to... a bottle opener! The last one in stock (but available on Amazon), it was discovered on the way out the door, just in the nick of time for Happy Hour!! So until next year: Vashe Zdorovia everyone!

This new and exciting program will correspond with the AKC Ambassador program. Details can be seen at <http://www.akc.org/public-education/canine-ambassador-program/>

I appreciate the confidence of the Board to name me the chairperson to head up this new venture. One of my first events was to organize a group of North Carolina and South Carolina Borzoi owners to participate in the Blythewood, South Carolina Christmas Parade. We had 10 Borzoi to represent our wonderful breed. A special thank you to Olivia & Kyle Abernathy, Randi Jackson and Tom, Rebecca Strieby, Lesley and Andy Ohmann, Emily Killian, my best friend Hanne Theriot, who made this event possible and so much fun.

I have asked the BCOA Board to establish awards and ribbons for participants. When we have more details, I will share them with you. I would

love for this to be in place at the 2019 Nationals.

I will be getting in touch with some of you and ask that you will help me in successfully implementing this program.

Anyone interested, please contact me by phone (803) 786-6012 or e-mail ceceresusanne@yahoo.com.

I am looking forward to hearing from you.
