## SUPERIOR GAZEHOUND RACING CHAMPION

### BIF, FC Oxota I Am The Storm, JC, ATT, SC, SSR, SGRC

Halle-Houdini finished her SGRC going undefeated at a 5 pt meet, TSE hosted by TTBC. Her dam was retired just short of this goal, so this was a particularly emotional accomplishment. Halle-Hou has had a great spring, winning AKC LC and ASFA events as well as multiple race meets. She's a lot of fun!

## **Jim Alford & Betty Joann Alford**

**November 20, 1936–April 11, 2022 & November 21, 1930–December 12, 2019**

Jim and Joann Alford were one of the first Borzoi owners in Colorado, obtaining their first Borzoi in 1960. They had a love of sighthounds and owned, showed and bred Borzoi, Afghans and Saluki, as well as a few toy breeds. They were founding members of the Rocky Mountain Borzoi Club and served as active members and officers until 2015. Joann served as ring steward for many RMBC Specialties. Jim and Joann were also members of the Metro Mile High Toy Association and the Plum Creek All-breed Kennel Club and were founding members of the Arapahoe All-breed Kennel Club. They were always generous, active, hardworking members of any kennel club they joined. Jim was a Lieutenant Colonel in the Air National Guard and Joann was the perfect military wife. Together they raised four children who all grew up to love purebred dogs. Their daughter, Kris Alford, owns and shows her Borzoi, Flannagen. Jim and Joann could always be counted on with a helping hand for anyone in need. Their kind hearts and gentle enthusiasm are greatly missed by the Colorado Borzoi crowd.

## **Paul Post—Mutzko Borzoi**

**October 26, 1948–April 22, 2022**

Paul was born in Cleveland, Ohio on October 26, 1948. He attended Kent State University for two years and then transferred to Virginia Polytechnic Institute as a geology major. There he met Gwen, who he married after his graduation and they moved to New Orleans.

Paul was not allowed any pets while growing up, and we had an assortment of fish, birds, and especially cats. Then he met his first Borzoi and decided he wanted one. We located a local breeder and got Tanya. He then became interested in showing and breeding Borzoi. We acquired two more to show. However, he quickly realized he was not cut out to show dogs after telling a judge, who asked why his dog was not carrying his tail up, that if he had bothered to read the standard, he would know that the tail was not supposed to break the topline. After that, Gwen did all the showing.

Paul was a seriously committed Borzoi person. He was a member in a local Borzoi Club, as well as The Louisiana Kennel Club, and was a life member of The Borzoi Club of America. He was active in all, either holding offices or chairing committees. He knew the standard as well as correct movement. He loved meeting old Borzoi breeders and discussing the breed with them. He was a petroleum geologist by profession and as a result he traveled all over the US and even went to Australia, New Zealand, Papua New Guinea and China.

He was an integral part of Mutzko Borzoi. He helped plan breedings, raise and train puppies, and do all the things that needed to be done when Gwen was showing or judging. He did not have a problem with picking up poop, whelping puppies, feeding dogs or dealing with sick dogs.

Paul's other passion was Mardi Gras. He planned for it just about year-round. He would reserve a suit or room (on the second floor) with a balcony starting the Wednesday before Mardi Gras and spend the week. At Christmas he would start shopping for beads. He then organized the beads in tote bags. He planned where he was going to eat and who he was going to eat with. He organized his medieval doublets and accessories and he became his alter ego, Puss in Boots. He had people who returned year after year to photograph him.

In 2019 Paul was diagnosed with uveal melanoma and had his left eye removed. He knew it was highly likely to metastasize to his lungs or liver. In 2021 it returned in his liver. His goal was to live to go to another Mardi Gras. He did get to go to Mardi Gras 2022 in February but passed away in April.

His goal, when he became involved with Borzoi, was to be remembered for breeding some good dogs. About a month ago, during correspondence with a lady about an eBay transaction, she asked if I was part of Mutzko Borzoi. After confirming that I was, she stated that she had followed our ads and that we had bred some beautiful Borzoi. Paul's wish to be remembered for our dogs was fulfilled.

## **Sara Ose**

**December 2, 1970—June 28, 2022**

Sara was born December 2, 1970 in Mankato, MN. She grew up in Thief River Falls, MN, with her parents and older brothers, David and Eric. Sara attended Bethany Lutheran College in Mankato, MN, earning her Associates Degree. She then attended Augsburg University in Minneapolis, MN, where she studied religion. She was a member of the concert band, where she played flute.

Sara eventually settled in Cambridge, MN. She was involved in Borzoi for close to 25 years, racing, showing and breeding. Sara bred her first litter in 2007 under the kennel name SoHounds. She was a founding member of NARC (Northland Amateur Racing Club). She was also a vital member of the Greater Twin Cities Borzoi Club, serving as president, secretary and board member over the years. Sara won many racing and conformation awards over the years, including Best Puppy in Sweeps and Best Puppy at the 2008 BCOA Nationals with SoHounds Crystal Ball.

## **Walter McEntire**

**August 18, 1955—July 4, 2022**

Walter was not known by many Borzoi fanciers outside of the New England area, but he was an avid fan and staunch lover of our the breed.

In real life, Walter was “voice of The Yard Goats,” the Hartford, CT, Minor League Baseball team. When the new stadium was built in Hartford, Walter was instrumental in its design and the design of the control booth, where he and his students from the Connecticut School of Broadcasting would announce the games. In 2019 he was named “Minor League Baseball Announcer of the Year.” Earlier in his career, Walter filmed commercials for the Otis Elevator company and a vodka commercial using Borzoi along the snow-covered banks of an icy running brook in the rear of our property.

Over the years, Walter owned and loved several Borzoi. Occasionally, he would take them coursing for fun. His last Borzoi, Laz, bred by Rebecca Peters-Campbell, currently resides with Carol and Fred Vogel.

## **Ralph Cyril Barger**

**1936 – December 6, 2022**

Ralph Cyril Barger, age 86, of Ball Ground, GA, passed away December 6, 2022, at Accent Care Hospice of Cumming, following an extended illness. He was born May 24, 1936, to Ernest Cyril and Gertrude Wooster Barger in Stuart, FL.

Ralph is survived by his wife, Dr. Andrea Bradford, of Ball Ground. He is also survived by his daughter Donna Barger of Matthews, NC; sons John (Jasper, Georgia) and Bill (Mills River, NC); stepsons James Bradford (Texarkana, TX) and David Bradford Jr. (Atlanta); their spouses and many grandchildren, step-grandchildren and great-grandchildren.

He was preceded in death by his parents; his beloved stepmother, Frances Mashburn Barger; and two sons, David Alan Barger and Ernest Charles Barger.

Ralph spent his early years growing up in Florida and Asheville, NC and moved to the Atlanta area in 1955. He attended Georgia State College and, after discovering his passion for dogs, he spent 20 years in the ring, showing his own dogs, and as a professional handler and show superintendent. In 1984 he opened Tarabar Enterprises, serving the professional dog handling and grooming community in the southeastern United States and beyond until his retirement in 2017. His greatest joy was to make people laugh and he felt blessed to be able to blend his love for the professional dog community with his skills as a salesman.

## Marilyn Polsfuss – Greyhaven Borzoi

December 7, 1946 – December 8, 2022

Marilyn's Greyhaven hounds focused mainly on her Borzoi, but she did also breed Greyhounds and Scottish Deerhounds briefly. Her first litter linebred Cathcade and Majenkir to produce specialty winner/National Best in Sweeps CH Greyhaven Wind in the Willows, ROMX-C. "Willow" became her foundation, producing four litters. "Willow's" most influential litter was sired by CH Lythe Heartbreak Hotel and produced multiple specialty winner CH Greyhaven the Pendragon, ROMX-C; and group-placing champions, Lady of the Lake and Galahad, as well as specialty winner Mists of Avalon. Pendragon and Lady were Best in Sweeps and BOS in Sweeps at the national, which may still be a first for littermates.

Pendragon sired the all-champion "Tree" litter, co-bred by Wayne Miller, out of CH Insight's Hecuva, ROM-C, which included specialty winners/group placers Sequoia and Mahogany Trinrose, specialty winners Holly and Spruce Goose, and group placer Silver Birches. A later litter included the Best in Show brothers CH Greyhaven This Rough Magic and CH Greyhaven Wizard's Crystal, both piloted by Fred Vogel. This litter was by CH Windrift Believe in Magic, ROMX out of CH Seabury Cameo at Greyhaven.

Marilyn was a wonderful cook and hostess, and a founding member of the Greater Twin Cities Borzoi Club. Her daughter Stephanie writes, "Marilyn loved to read mysteries and was a skilled gardener. A maker and admirer of art, Marilyn used her hands for painting, sculpting, glasswork and jewelry making. Marilyn was reserved and private, and quietly resolved. She appreciated elegant and beautiful things." Photo by Fausto Cavalieri.

## Suzan Tintorri-Mervau

January 31, 1952— December 26, 2022

In 1979, Suzan went to Suzanne Deghi's house with her daughter, Marisa, and bought her first Borzoi, CH Oronzova Bronze Falcon. That started her lifelong love for Borzoi and our lifelong friendship. She was never without a Borzoi for the rest of her life. She loved the look of the English Borzoi and imported several dogs over the years.

Suzan was very active in the Borzoi Club of California, holding several offices and helping organize the Western Sighthound Specialty when it was held in conjunction with the BCOC. She enjoyed working on the trophy committee the most because it allowed her to indulge in her favorite pastime: finding artwork of Borzoi. After all, every room of her house had some type of Borzoi print, statue or painting. Even her personalized license plate was Borzoi inspired.

Suzan was born January 31, 1952 in Los Angeles, CA. She was raised by her father, Gene DeFreitas, and grandmother, Natalie, and grew up in the San Fernando Valley. It was a rare household in the 50s: a single dad raising a daughter. Her custody case was the first one where a father won the right to raise his daughter over the mother.

She graduated from CSUN in the 70s with a major in music composition and a minor in English. She worked in the entertainment industry as a post production graphic artist for almost 30 years. Half of that time she worked for Disney and retired from that company in 2009. She became a grandmother in 2006, when her granddaughter Ava was born. She was happily married for over 25 years to Kenny Tintorri. They raised and spoiled many a Borzoi pup together and enjoyed them as one would children. However, she was reunited with her high school sweetheart and Marisa's father, Rick Mervau, in 2013. They fell in love for the second time and this time they were able to get married.

A couple years after they married, Suzan and Rick moved to South Carolina. She enjoyed living in the south, surrounded by beautiful trees and many horse ranches. Suzan was a lover of animals, beauty and style. She had a wicked sense of humor and was a great story teller. She had the soul of a poet and the heart of a fighter. She always stood up for what she thought was right, especially when it came to animal welfare. She owned many cats, a tortoise and horses, including a beautiful Appaloosa named Latte. She loved the beach, chocolate and music. She was an amazing gardener, surrounding herself with roses, fruit trees and all kinds of flowers. With her touch, all her houses became something you would see in the pages of *Better Homes and Gardens*.

Suzan was known for her great sense of fashion; she always looked like a model, perfectly and elegantly dressed with beautiful hair and nails. In later years, she owned and rescued a few non-Borzoi dogs. One was Ellie, a Dutch Shepherd found on the streets of Sacramento in very bad shape. However, her constant companion was a terrier/shepherd mix named Arlo. Arlo was Rick's dog but he ended up being Suzan's best friend. She had many health problems in the last year and Arlo never left her side. When he passed in November, 2022, she was devastated and never really recovered from his loss. She passed away shortly after on December 26, 2022. She will be missed by all who knew her.

## **Tina Whisnant** **1957 – March 2, 2023**

Tina Whisnant, formerly of Shelby, N.C., died March 2, 2023, after a short period of declining health. Although she came late to owning Borzois, she quickly discovered they were something truly special. Tina often said how privileged she was to share her life with her wonderful boys. Tina was a teacher and spent more than 20 years sharing her love of dogs by offering low-cost puppy and adult manners classes, nosework, rally, tricks and pet therapy at the city park in Shelby, and through the Charlotte Dog Training Club. She was an AKC Canine Good Citizen and pet therapy evaluator for many years. A talented writer, she penned articles on dog training for the *Shelby Star* and other publications. Tina introduced hundreds of people to the breed through her pet therapy visits at Cleveland Pines nursing facility and Gardner-Webb University. She also spent many evenings sharing stories about dogs of days past, troubleshooting behavior issues, giving practical advice and just being a good friend.

Rest well, my friend and thank you for introducing me to the breed. – Emily Killian

## **Margaret “Maggie” E. Rice** **January 24, 1947 - March 15, 2023**

Maggie was born and raised in Denver, CO. After completing high school, she moved to Ohio to study at Antioch College. Not long after her graduation, she wrote a play that was produced in Denver, earning her a write up in the Denver *Post*. Maggie lived for a time in Maryland, where she studied at Johns Hopkins University. She also lived overseas and in the midwest before returning to the Denver area.

Her career choices were eclectic. She was particularly proud of the fact that she had been a chef at the former members-only Cactus Club. Other jobs held by Maggie included working for the court system in Denver, working as a 911 operator, owner of a furniture business with her beloved Artie, owner of Roadrunner Auto Assistance service and, for a short time, a trapeze artist.

Above all, Maggie was a lover and protector of Borzoi. She acquired her first Borzoi in 1967, but did not get involved in breeding and showing until the 1970s. In addition to conformation, Maggie was very active in performance, especially Open Field Coursing. She bred and owned winners of Open Field's Borzoi Fall Classic. She finished many champions over the years under her Folly Quarters kennel name, but never campaigned her dogs and bred infrequently. For many years, she worked with NBRF and local shelters to find homes for displaced Borzoi in Colorado.

Maggie always went out of her way to help newcomers. She will be remembered fondly by the many individuals that she helped when they were first starting out in the breed. For many years, she organized an annual Christmas Walk in downtown Denver, where Borzoi owners would parade their dogs decked out in bells and festive collars from the Temple Buell Theater to the 16th Street Mall and back.

Maggie passed quietly after a long battle with Chronic Obstructive Pulmonary Disease, surrounded by close friends on March 15, 2023.

**Erica “Ashley” Huehn**  
**February 24, 1995-March 19, 2023**

Ashley Huehn was a lifelong dog trainer and enthusiast. She was a member and volunteer dog training class instructor of Gem City Dog Obedience, a rally obedience judge for the World Cynosport Rally Limited, was a judge for the World Canine Freestyle Organization, and was a certified dog obedience trainer through the Animal Behavior College. Throughout her life in dog sports, she achieved hundreds of titles on her dogs. Her most notable achievement, however, is being an enormous support system for her dog sport friends. She was kind, encouraging, inclusive, and was the biggest cheerleader to those around her.

Ashley's lifelong dream of owning a Borzoi came true in 2021, when she brought home her “perfect puppy,” Reaper. She joined the Borzoi Club of America and the Midwest Borzoi Club, and quickly became a beloved member of the Borzoi community. At the time of her tragic death, Ashley and Reaper were training in freestyle, obedience, rally, conformation, and started practicing lure coursing. Ashley was looking forward to attending the National this year, and entered Reaper in a couple of events. Her absence will be ever present in the hearts of those who loved her.

In honor of Ashley this week, take a moment to appreciate why we are all here. We are at the National for one thing and one thing only...for the love of our dogs. We are all unified in this love. Tell those around you that you appreciate them. Tell those you love how much they mean to you and give your dogs an extra big hug. Tomorrow is never promised.

## BCOA 2023 Obedience Rankings

for BCOA member-owned Borzoi, January 1 to March 31, 2023

Corrections to Dean Eelman, [dkeelman@att.net](mailto:dkeelman@att.net)

To be included in the report, the first person listed as the dog's owner by the AKC must be a BCOA member. To be ranked in the Top 5 dog list at the end of the year, a dog must have at least 3 Qualifying Scores from any Obedience class. Scores for each class will be multiplied by a factor based on level of class difficulty and all Qualifying Scores will be averaged for that dog. The factors are as follows: Beginner Novice – 0.8; Preferred Novice – 0.9; Novice – 1.0; Graduate Novice – 1.1; Preferred Open – 1.2; Open – 1.3; Versatility – 1.3; Graduate Open – 1.35; Preferred Utility – 1.4; and Utility – 1.5. Only 1 score is needed to be ranked #1 in any particular class at year's end. Exceptions to these rules are to be voted on individually by the BCOA Board of Governors and reflected in the Board Minutes.

The Summer and Fall Aristocrat report will consist of a list for each of the all Obedience classes with qualifying entries with the dogs' name in alphabetical order and their real average score. In the Winter and following year's Spring edition, each Obedience class will list the dogs in weighted average score order. In addition, the Winter and following year's Spring Aristocrat editions will list the top 5 dogs in weighted order for those dogs having 3 Qualifying Scores in any class or classes.

## HABIT FORMING !

by Gwen Post

### TIN BORZOI

The longer I am involved in collecting Borzoi items, the more amazed I am at the different things that Borzoi images appear on.

The group of collectables that I choose to write about in this issue is one that I never would have thought too much about. I guess I should have realized that it would be a good medium as they have been in use an extremely long time. I am talking about storage tins.

There are all kinds of tins and I really think that Borzoi have decorated most types. I will list the types that I have seen and describe the design.

#### 1. Tea Tins

About two years ago, in a European sighthound magazine, I saw a picture of an English tea tin. It was from about 1902 and the four sides had costumed figures from different countries. One of the sides was a woman in Russian garb with a Borzoi. It was a really lovely piece. That is the only photo I have ever seen of it and have not found any other reference to it.

#### 2. Biscuit or Cracker Tins

In the Fall/Winter '78/'79 Borzoi Quarterly, Sharon Robinson wrote about a Sunshine Biscuit Company tin. It has a scene on the top of the tin of Christopher Columbus bowing to Queen Isabella and in the scene are two white Borzoi. (So much for historic authenticity!) This is a tin that I have looked and looked for and found nothing. I have had dealers who specialize in this sort of item look and they have had the same luck. I have seen one very beat up and rusted one in a friend's collection so do have hopes of obtaining one of these hard to find tins.

Shown in photo A is a small English biscuit tin, put out by MacFarlane and Lang and Company. I know that this tin is not an old one, but do not have any idea as to its age. Our tin is in bad condition as grease was kept in it and has eaten off the finish on two sides. It is of an oriental design with two different designs appearing on opposite sides. One is of two Oriental ladies with a Samoyed on a lead. The other is of an Oriental man with a pair of Borzoi and a falcon on his arm. The top also has an Oriental lady with two Pekinese. All the robes on the figures are shades of red. It is hard for me to determine what the colors were as the finish is so damaged. A tin like this one was auctioned at the 1982 BCOA National Specialty so they are still available.

PHOTO A

#### 3. Cosmetic or Powder Tins

Photo B shows a bath powder tin put out by the Florida Perfume Company. These are from the 1920's and come in several colors. The design is a silhouette of a woman and Borzoi on a solid color background. I have never found any of this companies other product containers and would be interested in seeing if a Borzoi was part of the design.

PHOTO B

#### 4. Candy and Cookie Tins

This seems to have been the most common type of tin to have Borzoi in the design.

Photo C is of a newer tin, '50's/'60's, that held Thorne's Toffee. This is an English tin and is quite lovely. The Borzoi are well done and realistic. The lady has on a yellow sweater and a brown skirt.

PHOTO C

Photo D is of a '40's tin that was put out by Marshall Field and Company in Chicago. Again, this is a silhouette of a lady and two Borzoi. The tin is a solid pink and the figures and lettering are white.

PHOTO D

The next five tins are all put out by the same company, Bunte Brothers. They date from the 1880's, or a little before, to the 1920's. All the tins have Diana and a Borzoi as the main design.

Photo E is of a rectangular box tin. It is probably from the 1890's and has Diana in a greenish toga and a pink scarf with a brown Borzoi. The figures are facing to the right and the background is night sky with a crescent moon. The sides have the figures, Diana and deer, in black silhouettes with a blue and green background.

PHOTO E

Photo F. This cylindrical tin held Butter Scotch Daisies and still smells of butterscotch. It is labeled Diana at the top under the companies name and is probably the oldest, pre-1890. This Diana and Borzoi are facing left and are not in color, just a black and white line drawing. They appear twice on the tin. The background is yellow, with the rest of the design and lettering in red and white.

PHOTO F

Photo G is a tall rectangular tin, probably from the 1890's. Diana and Borzoi appear on two sides of this tin with the other two sides showing hard candies. In this design, Diana is shown in a blue toga with a pink scarf and a black Borzoi. The background sky is light blue with fluffy white clouds. The figures are again facing to the right.

PHOTO G

Photo H shows two rectangular tins from the same period. They date from about 1917 to the early 1920's. (I base the dating on Bunte magazine ads from this period that show these tins.) The designs are the same on both, with the exception that the shorter tin does not have the word Diana under the name Bunte, and says, "Fine Confections" and not "Stuff Confections" as does the taller tin. The figures, again, face right and appear on two sides of the tin with a dish of hard candies pictured on the other two sides. This design is by far the best and most detailed. Diana has a green toga and pink scarf and the Borzoi is a red and white. The ground in this design has flowers and the sky is a starry night with a sliver of a crescent moon.

PHOTO H

These last two tins are the most common of the Bunte tins. They have been pictured in past issues of Southern Living. I know that Tom and Laurie Kasowski in Encino, CA. have one of these tins with the original candy still inside. They have left the candy as it has not solidified nor spoiled.

If you find a tin with the original contents and the contents are intact and unspoiled, leave them. This adds to the value of the tin. I might mention that you do not often find tins with the original contents. Also, pay close attention to the tin designs. There may be only very minor differences, but these differences can help date the tin.

Tins are fun to collect and they make nice decorative pieces. Many can be converted to lamps as is the case with the Bunte tin pictured in Southern Living. They are durable, useful and one of the less expensive collectables. So next time you are out looking for Borzoi Goodies, don't ignore the pile of tins in the corner. Who knows, you just may find a "tin Borzoi." Happy Hunting.

# BORZOI Club of Greater New York May 5th 2023

*Judge: Duncan McAllister, Australia*

I would like to thank the club for inviting me to judge your show and have the opportunity to spend some time with your beautiful dogs. A total entry of 42 was something I have never had the pleasure of in the Borzoi breed, so I was looking forward to it as soon as I had the invite.

While my personal ownership background covers most of the terrier and many sporting breeds, I have many close hound friends, including Borzoi breeders. I have often shared a lounge with a large, hairy aristocrat and they are a breed I genuinely enjoy, so I considered this assignment an honour.

The entry on the day was generally of quite a high standard, with lots of quality dogs for me to choose from, with a few subtle variations to challenge my knowledge. Any of my winners could easily compete for top honours anywhere in the world, so thank you for such a lovely entry, and well done on maintaining such quality. Below are my overall impressions of the entry for your consideration.

Heads, dark eyes, and well-set small ears that gave excellent expression were in abundance. Strong but not heavy, bladed bone was also the norm across the whole entry, as were deep chests without excessive width. Coats were presented in good condition, as a rule and, most importantly, the lovely natures in every dog left me smiling afterwards.

Feet and pasterns varied across the entry, with some feet only barely oval and not hare and a few weak pasterns were also to be found. I found a few entries that tended to be a little short in body and a few others with short ribs with a little more tuck up than ideal. The toplines were generally quite good. However, there was some variation, which was often linked to the variation in the length of the back.

Gait is one area I would like to comment specifically on, as I find the Borzoi structure calls for a breed-specific movement with the rear slightly wider than the front. This was not evident across the whole entry and set my award winners above the rest.

My BIS Bitch had the outline, balance, head structure and effortless ground-covering stride that made her stand out for me. As a breeder, I always appreciate how hard it is to produce a top-quality bitch, so when I find one, I have a habit of awarding them highly.

The Opposite Sex, Selects and Winners Dog / Bitch all had similar features and high quality throughout. The decisions could vary slightly on a different day as they were all lovely examples, loaded with virtue. I was pushed to some finer points of the standard to make the final

decisions and that is always a wonderful place to be as a judge.

To the exhibitors on the day, I cannot thank you enough for your evident love of your Borzoi and excellent sportsmanship. Sadly, the level of sportsmanship I see in America is not universal and you should all be very proud of how you conduct yourselves.

Between the calm, gentle nature of the dogs and the happy, positive nature of the exhibitors, I had one of my favourite judging appointments ever, so I hope you all enjoyed your day. Please take the time to give each and every dog a cuddle after you read this.

Thank you for your entries.

During the year 2022, NBRF took possession of, medically evaluated, and treated 36 borzoi domestically. NBRF-International treated, fostered and transported 11 rescue Borzoi to the U.S. 2023 is promising to be a busy year for rescue as well.

For Borzoi like Murphy, Nadia, Finn, Stormy, Tom, Piper, Sysko, Baiichka, Sophie, The Boston Pups litter, Fast Eddie and Flash, Myrna, Zoya, Jasper, Voodoo, Una and so many more, NBRF is a life changer.

In late February of 2022 the National Borzoi Rescue Foundation - International also stepped up, bringing aid to Borzoi trapped in Ukraine or those with their owners fleeing to safety in another European country. There is no playbook for this mission; the magnitude of what we are doing is unprecedented. We have provided care and food for more than 100 Borzoi and continue to provide for those still in need. And we do this without compromising any of our traditional duties!

NBRF is the only nonprofit 501c3 national and international rescue dedicated exclusively to Borzoi! Our work is made possible by the kindness and generosity of many supporters. It tests our strength and our hearts every day - the triumphs and tragedies of this mission. Facebook fundraisers, sales from Shop Borzoi Life, the Holiday auction and donations are a few of the ways you too can help.

Domestic, International, Refugee Borzoi in Ukraine, or wherever it is needed most; choose where you would like your donation to be used. Become a sustaining partner by signing up for recurring donations, or donate a single time. We are greater than the sum of our parts and by working together our impact is multiplied!

Visit our website: [rescueborzoi.org](https://rescueborzoi.org) and learn more of our work. While there, access a DONATE button to pledge your support. NBRF also gratefully accepts checks mailed to: PO Box 231, Dix, IL 62830

## Showing Borzoi in 1966

*Compiled by KC Artley. Sources: The AKC Gazettes, the 1963 BCOA book, the 1973 BCOA Blue Book, the BCOA Aristocrats, Borzoi Champions 1952-1981 by Jan Linzy Freund, The Complete Borzoi by Lorraine Groshans, the Midwest Borzoi Club Bulletin, the Borzoi Club of California's The Borzoi Gazette, the Borzoi Club of Northern California's Newsletter, and show catalogs.*

### I. General (Registrations, Event Entries, and Point Scales)

507 Borzoi were registered in 1966, ranking Borzoi 63 out of 115 breeds. A total of 804,400 dogs were registered in 1966. The 235,536 poodles were in first place, then German Shepherd Dogs in second place with 93,046 registered, followed by Beagles, Dachshunds, Chihuahuas, Pekingese, Collies, Miniature Schnauzers, Cocker Spaniels, Basset Hounds.

For number of dogs in show competition, German Shepherds were first with 27,399 entries, followed by Poodles, Dachshunds, American Cocker, Collies, Boxers, Dobermans, Great Danes, Shetland Sheepdogs and Afghans. Borzoi had 1863 entries in 1966 shows, ranking Borzoi 50th out of 112 breeds.

The shows in the country with the largest entries were Beverly Hills Los Angeles, The International Chicago, Santa Barbara CA, Trenton NJ, Ventura County Oxnard CA, Santa Ana Valley Anaheim CA, Westchester Purchase NY, San Gabriel Valley Monrovi CA, Westminster NY and the Kennel club of Philadelphia. The largest Borzoi entry was 57 at the Midwest Borzoi Club's specialty in Detroit.

In 1966, the country was divided into 5 divisions for points. The scale of points for Borzoi was the minimum 2/2 3/3 4/4/ 5/5 6/6 for the Pacific Northwest and Hawaii. For Borzoi in the North and East division shows, it took 2 dogs/2 bitches for 1 point, 3 dogs/3 bitches for 2 points, 4 dogs/4 bitches for 3 points, 7 dogs/5 bitches for 4 points and 9 dogs/8 bitches for 5 points. (This division contained the states of WI, IL, IN, OH, MI, PA, NY, NJ, MD, VA, DE, CT, RI, MA, ME, NH, VT). The scale of points in Division 2 for

Borzoi was 2/2 3/4 4/5 5/7 6/8 for West and South (WV KY TN NC SC GA FL AL MS LA AK OK TX NM AZ MN. For Borzoi in the California division shows, it took 2 dogs/2 bitches for 1 point, 4 dogs/4 bitches for 2 points, 7 dogs/6 bitches for 3 points, 8 dogs/8 bitches for 4 points and 11 dogs/10 bitches for 5 points.

### II. New Titles For Borzoi in 1966 (D)=dog (B)=bitch

48 Champions were finished during 1966. The AKC published registered name, registration number, the sire and dam with their registration numbers, and the stud book dates. There are no stud book dates for the sire and dam of imported dogs. For obedience titles the AKC only published the registered name and registration number. The editor has added sex (D) or (B), date of birth, breeder, owner, stud book date (after title completed) and the BCOA Registry of Merit title. The date for titles is the date the title was finished, which is the publication date in the AKC *Gazette* minus 2 months, since it took 2 months for show results and 2 to 3 months for obedience results to be published in the *Gazette*.

From the MBC Bulletin, an interview with Villa Smith: She purchased her first Borzoi Lady Alova from Mrs Roberts who lived near St Louis in 1925. Lady Alova was by Kazan of Mississippi Valley x Countess Crozon. Then Lady Alova was bred to Ch Nichols Romanoff II (of the Canadian Romanoff kennels) producing Ch Nichols of Fergovia who won a 5-point major at the Chicago International in April 1928. In November 1929, Villa purchased Romanoff Allin from the Canadian Romanoff kennels of Mrs Janet Patterson. He was sired by Romanoff Rasputin x Romanoff Alla Nazimova. Romanoff Allin was the sire of Ch Ivan of Fergovia, Ch Duke of Fergovia and Ch Komarovski of Fergoiva. Villa purchased from Mrs Mabel Millichip Fergovia's Sonya of Millvale, sired by Ch Kuzanni of Millvale x Ch Natalie of Romanoff. Sonya

would become a champion. Also in Villa's kennels were Ch Shalimar of Sleeping Bear (female), CH Dark Star of Sleeping Bear (male), Michales Alexif of Fergovia sired by Ch Khan of Romanoff x Princess Algo of Romanoff. Villa imported Nimbus from Mr E W Guy, Blexeiva Farm, Henlade Taunton Somerset England, whose sire was Int Ch Blue Train x Ladago Varya. Villa Smith had as many as 20 Borzoi in her kennel. She was selected as the outstanding breeder of Borzoi in America in 1938.

From the MBC Bulletin an interview with Russell and Cleoh Everhart. Cleoh reported that she saw her first Borzoi (called a Russian Wolfhound in those days) in Bowling Green OH when in school in 1925. Russell and Cleoh purchased their first two Borzoi when they moved to Michigan in 1928. Russell leased Volga of Heinz, the dam of Ch Krassai of Kamaneff who had been best Russian Wolfhound in the USA in 1928. They their first litter in July 1931. This produced their first champion "Trezor" whose name meant treasure in Russian. Their first dogs were registered with the AKC with only one name and no kennel name. In 1936 they combined Ann Arbor and Borzoi and used the kennel name of Arborzoi. After 10 years and registering a couple of litters the AKC decided we could not use a kennel name with the name of a breed so they used Trezor as a kennel name and started naming each litter beginning with a letter of the alphabet, in order. Back when they were showing Ch Trezor there were few shows in Michigan to attend. They showed with the older breeders, Madge Cluxton of Glenwild Kennels, Marie Roach from Woronsova, Janet Patterson of the Canadian Romanoff kennels and Lois Kellog of Perchino. §
