Tally’s name was a perfect fit for him. He was a talented dog and Maryann Conran explored many disciplines with him; he was successful in all of them. He was a beautiful dog in conformation and had a memorable floating trot to the very end. He was a gifted courser, obedient, friendly, loving and outgoing, as evidenced by his many titles and ribbons. That kind of partnership creates a loving bond between canine and human.

Tally came to us as a 12-year-old senior when Maryann passed away in February of 2018. He was left suddenly by the one person he’d known his whole life and thrust into a new home with a new pack. Tally took it all in stride, establishing himself as “the boss” by laying in the walkway between our kitchen and family room. No one could pass except our tripod Yin. She got away with murder around Tally. Bravo and Dexter were forced to toe the line around the grand old man of the house.

In April of 2018, Tally was shown in a farewell appearance for Maryann at the Columbiana BCOA Trophy Supported Entry in Alabama and won Best Veteran in Sweepstakes at 12 years of age. It was a 5-point major in dogs and bitches both days, yet Tally claimed the ribbons both days.

Tally was a kisser. He greeted me every morning with kisses. He followed Joe everywhere. If Joe went to the barn, Tally went; if Joe went upstairs, Tally went. Those two formed a fast bond that was special to see. Despite only living with us for 10 months, Tally wrapped himself around our hearts and we were blessed to have him in our lives.

We miss Talent. He was a very special boy.
The first person listed as the dog’s owner by AKC must be a BCOA member to be included. To be ranked #1 overall at year’s end, a dog must have at least 3 QS from the regular classes and all QS from the regular classes will be averaged for that dog. To be ranked #1 in any particular class at year’s end only 1 score is needed.

The overall #1 Borzoi in obedience with 5 scores from Novice averaging 197.4 is FC Téine Mirage At Riju SC, CD, GO, BN, RA, SHDN owned by J Mintchell

# FINAL BCOA 2018 Rally Rankings

for BCOA member-owned Borzoi, January 1 to December 31, 2018

Corrections to June Mintchell, PO Box 31, N Manchester, IN 46961, rmintchell@yahoo.com

The first person listed as the dog's owner by AKC must be a BCOA member to be included. To be ranked #1 overall at year's end, a dog must have at least 3 QS from the regular classes and all QS from the regular classes will be averaged for that dog. To be ranked #1 in any particular class at year's end only 1 score is needed.

Started in 2016 was the offering of an OVERALL #1 dog in rally. Same rules apply to rally as to obedience. A minimum of 3 scores are needed to be the OVERALL #1 dog. All of the dogs scores from the REGULAR rally are averaged so if a dog competes in more than level all of his scores are rolled into one. Just like obedience, only 1 score is required to be #1 in any given class.

The overall #1 Borzoi in rally with a perfect average score of 100 and 3 scores in advanced is FC Téine Mirage At Riju SC, CD, GO, BN, RA, SHDN owned by J Mintchell

“Gaze”

• First and only Borzoi Tracking Champion
• First and only Borzoi Variable Surface Tracker
• First and only Borzoi Tracking Dog Excellent
  • First and only Borzoi to win the
    BCOA Annual Versatility Award three times
• First and only Borzoi to earn a RAT Open title
• First Borzoi to earn a RAT Novice title
Gaze loved life and loved to work or play. He never truly retired and I said goodbye to him the day before he was entered in a show. He died with a bucket list but that is the way we both wanted it. He never wanted to not have anything else to go for. One of the great memories I have of him is when we were working on our trick dog performer title. It was his final title earned. He was so happy to be working with me, so eager to do the things I was asking of him. He had already been diagnosed with cancer and was on chemo but did not let it get him down.

Gaze was an exceptional dog but thankfully not a perfect dog. The joy he had for agility translated into no titles. He only earned one leg in Novice jumpers in all the years we pursued agility. He never could resist adding additional jumps and obstacles including soaring over the ring gating, doing drive-bys of the crowd, and returning. People loved to watch.

From the high of becoming a Champion Tracker to the defeat in agility ring we always had fun. I will always have a story to tell of how great he was or how funny was.

The funniest are often when we had the least success.

I miss him like all good friends and his memories live on in my heart.

From The BCOA Archives

This article is from the 1973 BCOA Yearbook. Author unknown but likely one of the BCOA officers.

Many consider the number 13 unlucky; some consider it a good omen. Be that as it may, a review of the last 13 years in the Borzoi world reveals a picture of progress and hope that no single year’s review could ever do. Why 13 years? Simply because it was in 1961 that there seemed to be glimmerings of change, increases in knowledge and understanding, blossoming of a more national awareness within the Borzoi ranks.

In January of 1961, BCOA membership was only 91. Borzoi activity seemed to be concentrated in three main areas: East, Great Lakes area and California. There were only three local clubs: Midwest Borzoi Club, Borzoi Club of California and Borzoi Club of Northern California. Borzoi interest up to this time had remained fairly provincial with breeders and exhibitors rarely traveling out of their own areas for breeding or showing.

Communication among various areas was also limited. Club bulletins – other than the BCOA Aristocrat – were either non-existent or very limited in circulation and scope. The Aristocrat, in 1961, was a quarterly publication that was mimeographed; it contained minutes of meetings, articles and news. The only pictures were those that were donated and then laboriously attached to the front cover. Since that time, the Aristocrat saw constant improvement in format, printing quality, and pictorial coverage keeping pace with the growing number and awareness of the membership. In 1973, the Board of Governors reviewed the needs of the membership and determined that a new direction was indicated. With books and magazines containing informative articles of interest so readily available and with so many local clubs putting out high quality bulletins of their own, it was felt that the Aristocrat should restrict itself to news of the various local clubs and of the parent club’s activities. It was also decided that a yearbook should be started to summarize each year’s events. At a BCOA membership meeting in 1969 in California, the possibility of a single national breed publication was discussed. If ever all the problems connected with such an enterprise could be worked out, this would be outstanding achievement for the benefit of all clubs and all borzoi owners.

1961 produced proof that Borzoi bitches could indeed hold their own in competition. (Just the year before, CH Med-O-Land’s Petrova had taken BOB at the national specialty for her second time.) At the 1961 Westminster show, the class bitch Sascha of Baronoff took the breed. In April at the Chicago International Midwest Borzoi Club specialty, another class bitch, Jasnaja V Bergland took top honors over an entry of 20. During the following years, other outstanding bitches captured the breed honors at specialties: CH Cordova’s Miska of Baronoff (BCOA 1967), CH Anastasia of Windy Hill (MBC 1965) and CH Loral’s Larissa Ivanovna (BCOA 1970).

At a board meeting early in 1961, a decision was made to hold two specialties the following year with one in the Pittsburg area. This was an effort on the part of BCOA to bring closer communication and cooperation between two areas of the country – the East and the Midwest. The specialty was indeed held the next year in conjunction with the Sewickley show and was such a smashing success that it can really be considered the beginning of a better awareness of Borzoi in all areas of the country.

At the BCOA specialty in 1961 at Monmouth, New Jersey, in spite of the cold, wet weather, the show was thoroughly enjoyed by exhibitors due in no small part to the lovely luncheon prepared by a committee – the start of a very important part of all future specialties. At the meeting in conjunction with the show, two very disappointing items were introduced and discussed. One was the notice of an ad in a current dog magazine offering Borzoi by the pair for $75. The other was a letter asking BCOA to set a minimum fair price for Borzoi as the writer was often asked to supply Borzoi puppies as prizes on TV shows, raffles, contests, etc. The membership went on the record as opposing this exploitation of Borzoi and the underselling of the breed. Since that time there have been ever increasing instances of misuse, overbreeding, underselling, commercialization of the breed. During 1972 and 1973, the Board received horrendous stories of conditions at certain dog farms in the midwestern states including the breeding of Borzoi as “killer dogs”. Complaints were received regarding false and misleading advertising. Ads were reported from several major city newspapers offering “free” Borzoi bitches, pairs of Borzoi for $150, requests for litter lots of puppies.

During the summer of 1961 reports were sent to the AKC concerning coursing of jack rabbits in California. The hope at that time was that approval might eventually be gained for sanctioned Borzoi field trials. As is known today, this is not possible, but the idea still lives in the artificial lure coursing being tried in various parts of the country with California leading the way. This sort of activity may possibly receive AKC recognition in the future.

During 1961, the Board of Governors had brochures printed which could be sent by the club in response to inquiries on the breed and could be purchased by breeders to distribute to puppy customers and to interested parties at shows. The club supply has since been sold out, but there is reason to believe that new brochures will be prepared in the near future.

In October of 1961, an artist was commissioned to draw a BCOA club emblem. For some odd reason, this emblem was lost in the files and resurrected only in 1971. All exhibitors and friends attending the 1971 national specialty were treated to an introduction of this emblem as it not only graced the ring decorations and the benches, but also several trophies as well. All this was 13 years ago. Since than so many things have happened, so much progress has been made both by the BCOA, the affiliated local clubs and the breed.

Breeding programs have been developed incorporating the best of bloodlines from all sections of the country. Breeders are much more critical of their Borzoi and much more demanding of improvement. They are

more willing to travel or ship any distance to achieve their breeding goals. When BCOA appointed a committee to study the standard, discussions ensued in many areas leading to fuller understanding of basic Borzoi structure, gait and temperament. After much work, the BCOA membership voted on several clarifications and additions to the standard. In 1972, the revised standard received AKC approval and copies were sent to all BCOA members and all licensed Borzoi judges.

With the growing Borzoi interest springing up all over the country, BCOA received inquiries from groups of fanciers interested in forming new affiliated local clubs. Feeling that a local club can best serve and direct interest in the Borzoi, BCOA encouraged the organizational of many of these proposed clubs. During the last thirteen years, BCOA has welcomed new clubs in Texas (Texas Borzoi Club), Florida (Gold Coast Borzoi Club), California (Mission Trial Borzoi Club), metropolitan New York (Borzoi Club of Greater New York), Washington (Puget Sound Borzoi club), Georgia (Borzoi Club of the Mid-South), Pennsylvania (Delaware Valley Borzoi Club). In addition there are new groups forming in New Orleans and in Minnesota.

The Sewickley specialty of 1962 was successful enough to promote a repeat performance in 1963, equally successful. These two shows seemed to herald a traveling trend. Since then more and more exhibitors have traveled thousands of miles with their Borzoi to attend specialties from coast to coast. In 1969, BCOA held a specialty in southern California in conjunction with the summer Beverly Hills show. Many members from every section of the country flew in to participate in the show, the party and the membership meeting. It was hoped that this would be the start of an annual rotating specialty, and the Board went on record as being open all offers from interested groups wishing to “host” such events. In 1973 another California BCOA specialty: this time in northern California in conjunction with the Oakland show. During the same year, BCOA tried its first independent specialty in Piscataway, New Jersey.

In 1964 the Club published a booklet on the breed – the first of its kind the Club had ever printed. (Many years ago, the club had put out yearbooks, but none contained the wealth of information as did this booklet in 1964). In 1970 with the supply of the booklet long since exhausted, the Club decided to publish a new edition. At first, it was planned to have another soft-cover booklet of about 100 pages. However, as chapters were prepared and the ads started coming in, the project took on more ambitious goals. In early 1973, at the Annual Meeting, the first copy off the press was unveiled to the membership; over 300 pages of pictures, pedigrees and chapters on history, coursing, racing, obedience, training, grooming, feeding, health, breeding, whelping, puppy care, development, sales, shipping, and interpretation of the Standard all encased in a hard cover. The volume of sales so far promise to make this book the most widely owned and read book on the Borzoi to date. The initial financial burden on publication made necessary the temporary curtailment of several projects and normal expenditures, but again, the volume of sales in less than nine months has now brought the Club back to “business as usual”.

The past several years have seen much concern with the effect of outside forces and pressures on the breed and the sport. BCOA became a part of the American Dog Owners Association during 1971 and urged its members to join as individuals as well in order to combat these forces and pressures through control of legislation and through public awareness and education. Also during 1972, the Club adopted a code of ethics. Requiring all new members and urging all old members to sign this code may serve to remind all involved in Borzoi that the future welfare of the breed begins with the efforts of each individual person. Rather than a concern for personal pleasure and/or social events, the membership of BCOA will have to direct it energies and support to activities which promote and protect the Borzoi in a positive manner. Serious problems deserve serious consideration.

During 1973 an article appeared in a national dog magazine about the breeding of miniature Borzoi. The Board of Governors received many letters of protest concerning this. After much discussion, a letter was composed and published in the next issue of that dog magazine pointing out the origins of the breed, the original purpose of the breed, and the size requirements in the Standard. The miniature size in the show ring is a very serious fault and would-be exhibitors of miniature Borzoi should be so advised.

The major project of this ways and means committee during 1973 was the design, production, and sales of a year plate. A limited number were produced so that over the years as each new plate comes out, the plates from former years will gain in value and become collectors’ items. The year plate for each year will come out in time for the national specialty.

After much study and discussion by the committee and the Board, and following a vote by the membership, several revisions was made to the Constitution and By-Laws. Revised copies will be sent to the membership and to all new members next year. After a lapse of two years during which time BCOA did not put on any specialty match shows, one was held in October of 1973 brought back by popular demand. At the 1973 national specialty, the first futurity ever held by BCOA took place and will be a continuing event as long as desired by the member breeders.

At the end of 1973, with the Borzoi registrations and BCOA membership both tripled in numbers, much work still remains to be done to preserve and protect the breed. Regional specialties have been planned – Illinois and Georgia in 1974, California in 1975. Communications must be improved and maybe even changed in means so as to conform to the growing demands of the Borzoi fancy. Education of the general public must assume prime importance through the club and individual breeders. Potential sales must be restricted so that Borzoi puppies are placed only in the proper homes and promiscuous breeding is curtailed. The welfare of the breed must be paramount; the protection of the breed can only be through wisdom and common sense and honesty. Within the Borzoi Club of America and within the regional and local clubs and within in the ranks of individual Borzoi owners, the potential exists. That potential must be developed.

### 2018 Conformation Championship Medals

152 Borzois completed their Championships in 2018. Of these, 97 were owned by first-listed BCOA members and are eligible for a medal.

One medal from 2017 was sent in 2018 after owner sent AKC registration form showing ownership.
Competing in the show ring and the open field, Lyra proves that form and function go together. Under noted breeder-judge Cindy Gredys, Lyra earned her first major in July 2018. This past November, she took top honors at the Borzoi Fall Classic over eleven other top competitors from across the US. Congratulations to littermate, Vigow, on his spectacular achievements at Westminster this February!!

A KC has a wonderful ambassador program and BCOA is now a participant in this program. The Board has asked me to chair this new venture. I have posted an article in a previous Aristocrat from when I had some great Borzoi, their families and some friends join me in the Blythewood, SC Christmas parade.

Unfortunately, the date for this year’s parade was the same date as the Columbia Classical Ballet’s performance of the Nutcracker. My three boys, Sokol, Zhivoy and Zvezda were the stars in the opening scene and were in all four performances. For the “grand finale” at the Sunday 3pm matinee, the audience was invited to come backstage to meet the dancers and the Borzoi. This was actually on stage with the large Christmas tree.

Many parents took photos of their child/children with the dogs in front of the Christmas tree. What a great experience for everyone to see and meet our beautiful breed. Radenko Pavlovich, the director of the ballet company has asked us to be in next year’s production.

Zhivoy also participates in a program “Read To The Dog” at our local library. It is so much fun and people are always in awe of this magnificent breed we all love and cherish.

If you have a few hours each month, I urge you to join me in this wonderful program. AKC has a new staff member, Ashley Soucier, who has been very helpful. If you are interested in becoming an ambassador for our breed, give me a call, I look forward to hearing from you.
